Susan
you are a
very special Lady
who doesn't really know
what she wants but when
she finds out she gets it and
I have a feeling that your going
to find success in what ever you do.
me and you have been through alot together
as school pals and even though we just made it
we still hung in there. In life we'll probably do the
same but you'll be there and I'll be somewhere. But
we'll make it all the same. I will always remember your smile
and big eyes that sparkle when we see each other as friends
Susan remember to be careful with your relationship with the guys
Stay single that's the best bet for us. Dont be so mean though there
other ways of handling guys and you know it, I just wish some day
I'll be able to handle you just for a day. Keep in shape with the great
Body you have and always remember this Mike Miller is your frie
forever and a day.

Love me,
989-9102

SUE,
YOU'RE TOTALLY COOL TO TALK TOO.
CAN YOU BELIEVE IT'S ALL
OVER. IT SEEMED SO FAST.
NOW IT'S TIME FOR THE
REAL WORLD. HA! MAYBE WE
CAN GET TOGETHER SOMETIME
& PARTY. GOOD LUCK IN THE
FUTURE. TAKE CARE. 945-5675

Sue, hey babe! You
are totally sweet! You
are so crazy, I'm glad
we became friends!
I wish you the best
in all you do! Hope to
see you sometime! See you
at the 10 yr. reunion!
Love Ya -
Kala Riggio

Sue,
Hey Bud, "Get off me" JK!
I'm glad we were such good friends
now. You are so funny!
and a wild partier and I'll call
you when mom and I
have parties. So you can

Susan, you are a very sweet person. I love your hair, it's beautiful. Have a great summer (I know you will) c-ya at the beach. Congratulations Class of 87! your friend! Stacy Johnson

Susan,
It's been fun this year in photo. I'm really glad I got to know you. The night me and Tom got caught was the end of the world. You helped alot, letting me talk to you, your so understanding. I believe what-ever you do in life, you'll do good. Thanks for being a friend. Hopfully I'll see you this summer. Have fun in Hawaii this summer. send me a post card.
Love, Jeff Bennett

Susan -
Well its really weird to remember you as a freshman. You were scared to ditch, the total goody goody. But now that has all changed. You are the sweetest person and I know someday you will have everything you want out of life. Have a great summer and I'll see ya at some parties
C-ya later

Susan,
Well it's been a nother boring year but we had some fun time Partying didnt we. call me this summer and well all do something.
Jerry L. [illegible]

Maybe we are in gruberng and out I see you and arive haha have a rad summer call me I love ya
987-6479 Missy

Susan, Its been a fun year in english. Can you believe we are graduating? It's going to be so rad. I don't know what you are doing after high school but I have to go to college. That sucks! You are a sweet chic and I love your tongue. Good luck in the future.

I love u
love Tom

Hey Sweetie,

Well the time has come for you to graduate, oh well you not going to stay back a year and wait for me (Ha-Ha)

I Love you so much words could never express!! Its so hard for me right now cause I want you to be so many different kinds of ways and you can only be how you feel. my heart is beating so fast right now cause im scared im writing my last letter to you., How how have we managed this long I don't know but I dream of the day I could ask you that "one special question." I know I have been a aggravating + irritating guy to know, but one day Im going to be someone special. you I know will make it in life because you are a successful person when you put your mind to it "you can do Everything"

I hope we still can pull through for each other in hard times. Cause I can't picture life without you!! Seems like you make me and everyone around you happy with that cute little smile.

Every time I see you my heart pounds and I get nervous because I know your mine and thats the most bitchen feeling I have ever experienced I Love U Sue So damn much it kills. I hope you stay the same all through your life cause Ill probably be right there all through it. That Gloom in your eye lightens up me and with out it theres something missing Lightens I feel so comfortable with you and Ill never find that in anyone... Please remember this is your biggest fan spanking and I know you. have a Blast in the Wild and Crazy Aloha State and send us postcards every day.

I LOVE YOU ALWAYS

Love

THEME

The year of change for Alta Loma High School. A new look . . .

12

SENIORS

The Class of '87 shows us all how its "really done"!

38

PEOPLE

The new found enthusiasm, brought by different faces of students and faculty, help unite the people of Alta Loma High School.

ACTIVITIES

More school involvement expressed by school activities provides for a welcome blend of curricular and co-curricular growth.

42

ACADEMICS

Scholastic achievement reached a level of excellence as Brave Spirit flowed into the classroom.

158

CLUBS

Clubs at Alta Loma High School provided expanded horizons for the exploration of student involvement.

180

SPORTS

The athletes have gone beyond the call of duty to prove that "The Pride Is Back"!

total difference

a new look!

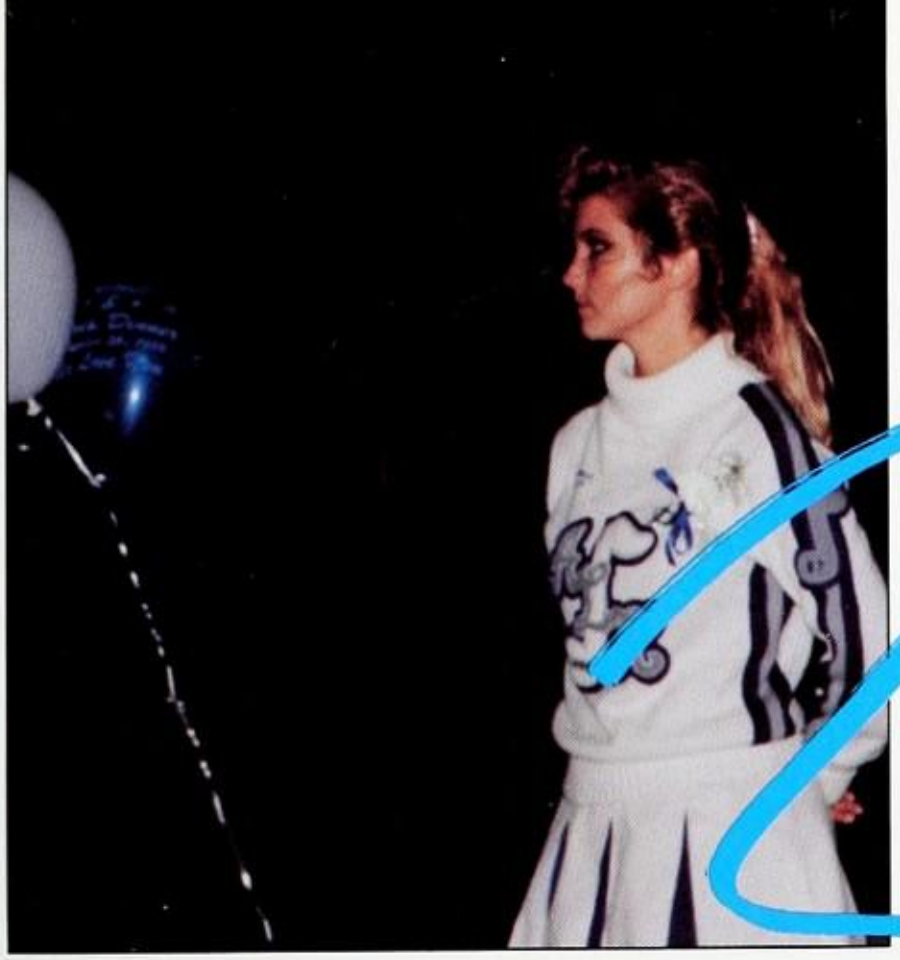
A different style has hit Alta Loma. Alta Loma's new look began with a new principal, a new campus, a new brand of spirit and not to mention winning our first Homecoming in ten years. That's a Total Difference. Along with the new principal, Mr. Ward, came a new set of rules for Alta Loma. The main restriction was the enforcement of "closed campus". Most of the students were real upset, but everyone seemed to manage without that quick run to Carl's Jr. at lunch.

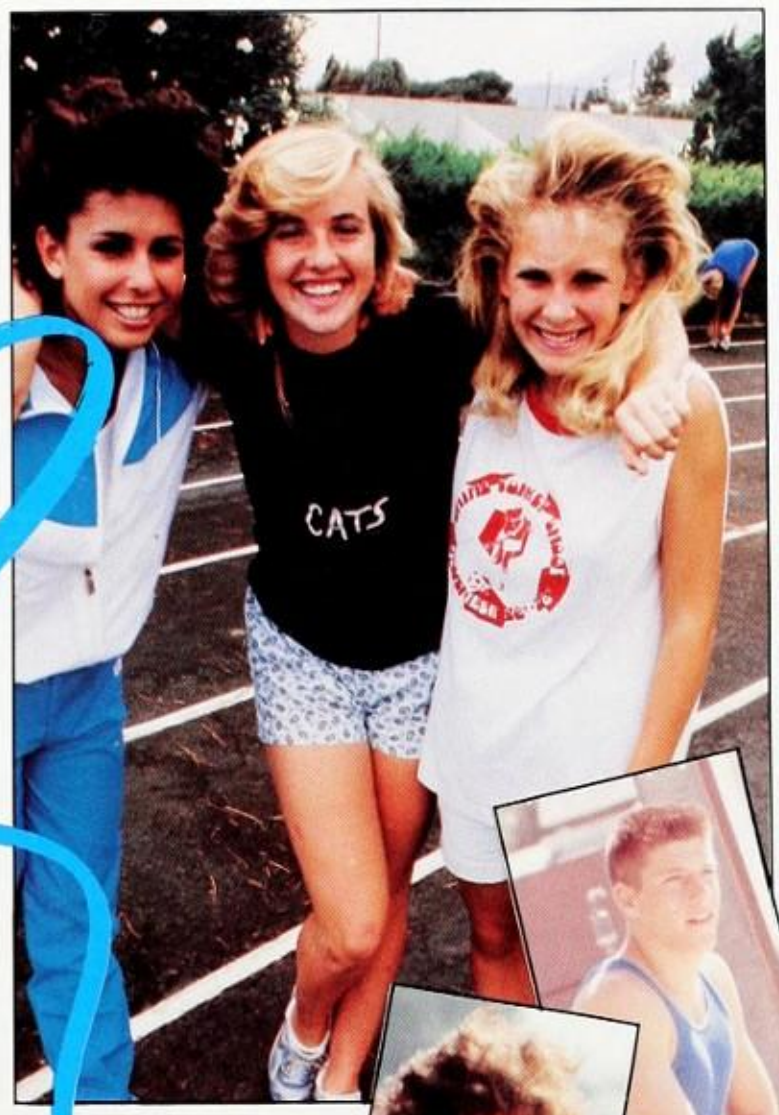
Concerning our new campus, we owe our gratitude to faculty and students for a great job. Students received a warm welcome back to the 1986-87 school year with new sidewalks, landscapes, and a new paint job. Of course, there were more trash cans so that students wouldn't have to prepare for a mile hike to get rid of their trash.

A new form of spirit hit the stands and there was a new definition added to the word "rowdies" . . .

Above: Kala Riggio is proud to be part of our Diamond Jubilee celebration.

Right: Rachelle Younger can tell you it's no easy job being drum-major of our award-winning band.





Above: Things look dim to Karrie Baier, Varsity Songleader, but they were only that way for a short while. The Braves' Football team came back to win the '86 Homecoming Game 10-6. Right: Anders Anderson turns quickly, and is caught off guard by another photograpgher.

Above: Dave Koenig yells, "Gimme an A.L.T.A. space L.O.M.A!"

Dee,
you're a lot of fun and
I sure hope you graduate.
Have fun in Hawaii - I know you will. Take Care.
Love,
Sweeney

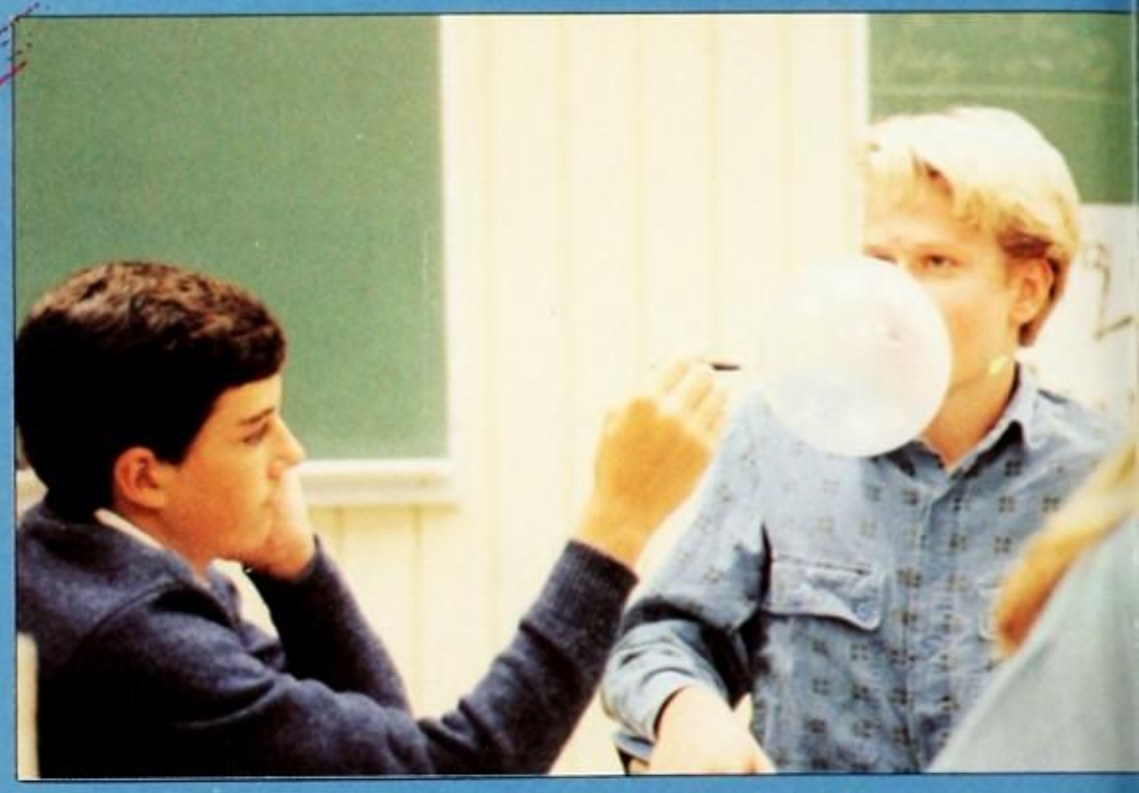
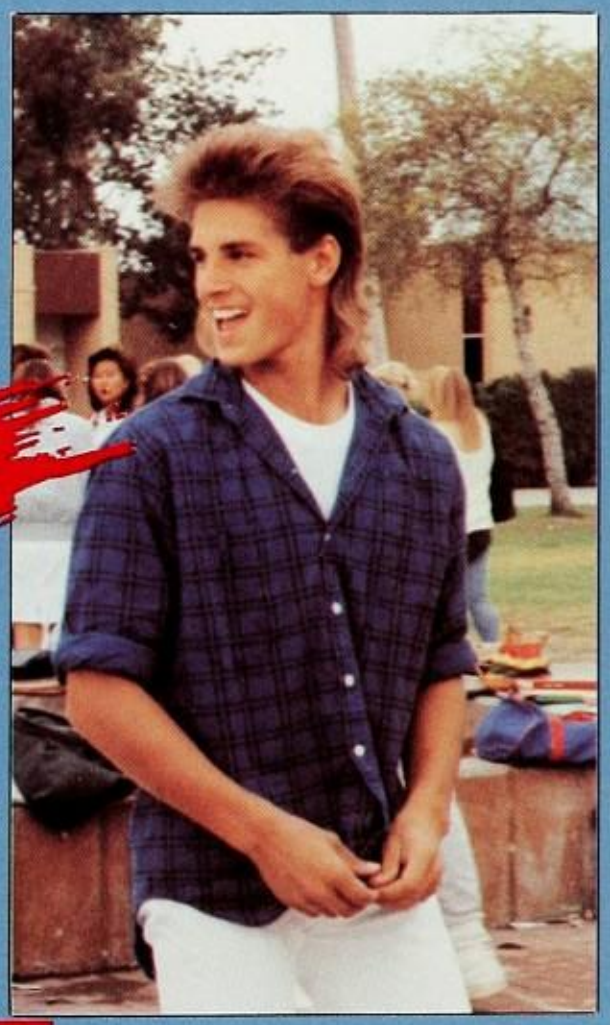
Above: David Couwenberg, Shawn O'hearn And Pat Perry . . . "Just can't be serious!"

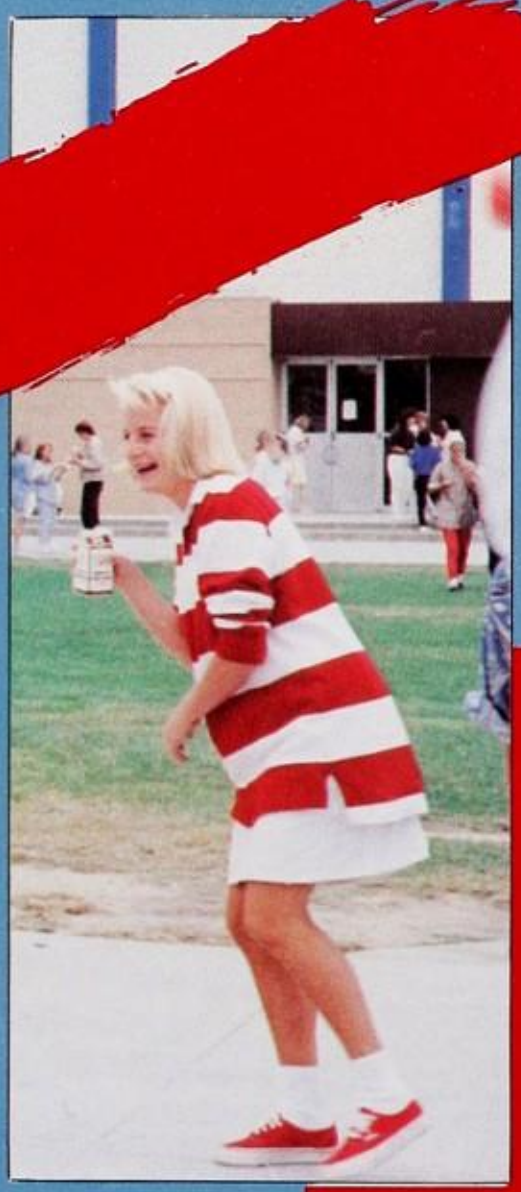
off the wall



Striving for the finish in his super-sleek, red tricycle, Sean Damian peddles through one of our many wild lunch-time activities.

Pucker up, baby! Noemi Pedraza glances down the hallway after re-applying a fresh coat of lipstick.





People watching is an interesting hobby and this observer' obviously is enjoying what he sees.

the pride is back!

. . . More and more students rumbled the stands and cheered our reams to victory.

Our 1986-87 Homecoming Game was a victory for the first time in ten years. Due to a great catch with only 57 seconds remaining, a new tradition may have been created at Alta Loma. Our thanks to all the players for an excellent victory.

A great difference at Alta Loma was the new lunch-time activities for those students who wish to be involved. More rallies were scheduled to promote spirit. Instead of a rally every month, they were scheduled each week. For the students who wanted to be in clubs, but weren't sure which club was the best for them, new clubs were formed.

New leadership, coaches, and directors, set an atmosphere for students to enjoy the 86-87 school year. That's a TOTAL DIFFERENCE.

Above left: Tiffany Mitchell Shows her pride with enthusiasm. Above: Alta Loma Crowd Control at work again. Right: Jeri Nealy awaits a critical call from the football game official.

Left: Gloria Garcia reacts to a Braves' touchdown. Right: Liz Brewster leads a Braves' chant at the Football game. Below: Eddie Huerra prepares to throw a first down pass.

Sue, Its been so cool knowing ya! You're way rad and I hope you never change you're super fun ways. We've had so much fun in Job skills talking about Homecoming, B.B. & shooten the Bull with Michele. I guess Mr. C was relieved when we got out of there! Photography's been super fun too! Thanx for all the times you helped me with [redacted] (Marilyn)!! Win over her for good!! Serious! Don't ever forget King's Ball in the Limo with the little Surfer NIP!! (Kris) and partying at Stacey's that Friday [redacted] was super fun and ill never forget partying so hard that night!!! Well, I'll never forget High School and all the fun we had! It's been a rad year and I hope this last year with [redacted] the raddest ever for you! Good luck and remember - Don't change!!. See ya around and at Chaffey next year! Ya!

Love,
Joe

Class

P.S. Hi
this doesn't
mean goodbye it
just means we'll have
to party more!

Alee,

This year of our Senior year has been great. I hope to see you again sometime. Well Mrs. Fity class was great. You are really fun + nice person. I wish all the luck in the world. May all your dreams and goals come true.

People

The new found enthusiasm brought on by different faces of students and faculty, help unite the people of Alta Loma High School. The new administration of Paul Ward has promoted a more positive outlook at our school. Students and staff alike have witnessed this change.

Students have been receiving more recognition than ever. New positive reinforcements promote good attendance, overall performance, and also academic achievement.

The faculty has adopted a new attitude toward teaching. This attitude is called "The power of positive students". The administration has put this program into motion.

The new found spirit that has been aroused by this program has made Alta Loma High the very best!

ACTIVITIES

More school involvement expressed by school activities provides for a welcome blend of curricular and co-curricular growth.

1986-87 has turned out to become a definite year to remember due to all of the activities people have been involved in.

From the Pep Squad to A.S.B. Alta Loma has come a long way in spirit and participation.

Alta Loma activities made the school year seem more enjoyable, thanks to all the students.

BRAVES DANCE THEIR PRIDE ALIVE

Keeping our spirits high, Alta Loma scheduled many outstanding functions throughout the year. Rallies and dances were among the top on the list, allowing everyone to have a chance to participate.

Our formal dances have brought out many cute couples while our stag dances have created a few also.

Trying to bring the lower classes with the upper classes ,Alta Loma High supported many rallies to bring the Brave spirit alive.

Bringing the Brave spirit to a high during the 86-87 year was largely due to the committee that contributed to the success of our rallies and dances. Without these committees the 86-87 year would not have been such a terrific year to be a part of and remember throughout our lives.

RENEWED SPIRIT

The 1986/87 Varsity Cheerleading Squad has worked hard on bringing in a new armosphere to ALHS. As a result, we would like to thank the peers who helped us accomplish our highest goal: bringing the pride back to ALHS. The pride we take in our school is the pride we took to camp which lead us in receiving three Superior Ribbons and a first place trophy! On behalf of myself and my squad we would like to say that it has been an honor to be a part of the year that is known to many as-THE PRIDE IS BACK!

A.L. HIT BY BIG SONGS

On behalf of the 1986-87 Varsity Songleading Squad, I would like to thank the entire student body and staff of ALHS for your continued support and encouragement in bringing the PRIDE BACK into ALHS!

One the most exciting events of our year was attending USA Camp in San Diego. There we competed and we were awarded one excellent and eleven superior ribbons. The best part of camp was bringing home a first place trophy.

Honestly I must say we did have a few difficult obstacles to overcome, but we have pulled through, and are having even a greater time promoting the spirit of Alta Loma.

PEP COMMISSIONER & MASCOTS

This year would be any Pep Commissioner's dream come true. Watching the fans at the games, the students at the rallies, and the general enthusiasm around campus is the greatest feeling I could ask for. Thanks to all of the students and staff who have kept up such a positive attitude. I especially want my little family of cheerleaders to know I love you all so much.

Being the 1986-87 Pep Comissioner was both difficult and challenging, but by far, it was the most fun I could ever experience.

Wow, this was a great way to begin and end my senior year! Being a mascot for AL has been a great experience for me. After all, being mascot gave me an excuse to act crazy around campus for all the right reasons.

I appreciate all of the support that I have received from the teachers, administrators, the cheerleaders, and most of all the student body. It's been great representing AL as an Indian Brave. Thanks for a successful year!

Sondra Rene' Williams

Being a mascot for Alta Loma High School has not only been a fun experience, but also a learning experience.

I've finally had a chance of being involved in our school. It has opened my eyes to the realization of the hard work which our team players, pep squad, students, and staff put into activities taken place. I truly enjoy representing our school.

On the tracks, on the fields and on our courts it's a proven fact our PRIDE IS BACK!

Liz Brewster

J.V. CHEER

Alta Loma's school spirit is really on the rise this year. All of the students and teachers are feeling a sense of pride within the school. Alta Loma used to be the underdog in the district but those other schools better watch out because the pride at Alta Loma is back and it's here to stay!

"Our J.V. cheer worked very hard, and had so much fun! Our achievments at camp included the Spirit Stick, and the Superior Trophy. But most important of all, our goal was accomplished . . . The Alta Loma Pride Is Back.

HOMECOMING, AN EVENING TO REMEMBER . . .

This sure has been an exciting year for our football team. Alta Loma proudly won our first Homecoming game in years. During half-time there was exciting fireworks show. Spirit Week began with long strings of blue and white balloons, strung from one side of the campus to the other. Different spirit days were set including:Hawaiian, Toga, Nerd, Twin, and blue and white day. Many of the students participated in showing our school spirit.

"As the scroll unrolled on the night of October 24th, I knew that would be the most exciting night of my life. I feel so honored to represent our high school . . . the high school in which students can now say, with pride, that they are ALTA LOMA BRAVES!"

"I hope that next year when I come back to crown the 1987-88 Queen, she will feel as excited and happy as I did."

Thank you,

Chelle keeps the band marching in srep.

Drummers make the total difference in rhythm.

The Marching Band year has been full of surprises. The band had participated in the Diamond Jubilee of the Chaffey Joint Union High School District. It included a parade down Euclid Street and a field show. The band was asked to perform for the Grand Opening of Edward Cinemas on Haven Street. The band also hosted the Founders Day Parade. This year, the marching blue pride was initiated into the world of parade competition. The band marched in three parades in which they received a third place, a first place, and a Music Sweepstakes Award. The band also went to two field show competitions.

All in all, the 1986-87 Marching Band Unit pulled through a successful year with the help of a new band director.

FLAGS STAND TALL

Starting all new, the Tall Flags and Rifle core worked hard to make the season a satisfying one. Attending the summer camp, U.S.A. for four days, the team was given the opportunity to feel how it's like to perform in front of an audience routines. The girls also became more united as a team and the friendships grew.

Under the new direction of Mr. Arnold, the team practiced their routines sixth and seventh period. Night practices were also held to get in that extra effort for a competition.

As a first year team, the girls did well at the field show tournaments but extremely well at parades. At the Glendora Parade the First Place trophy of hard work and accomplishments was brought home.

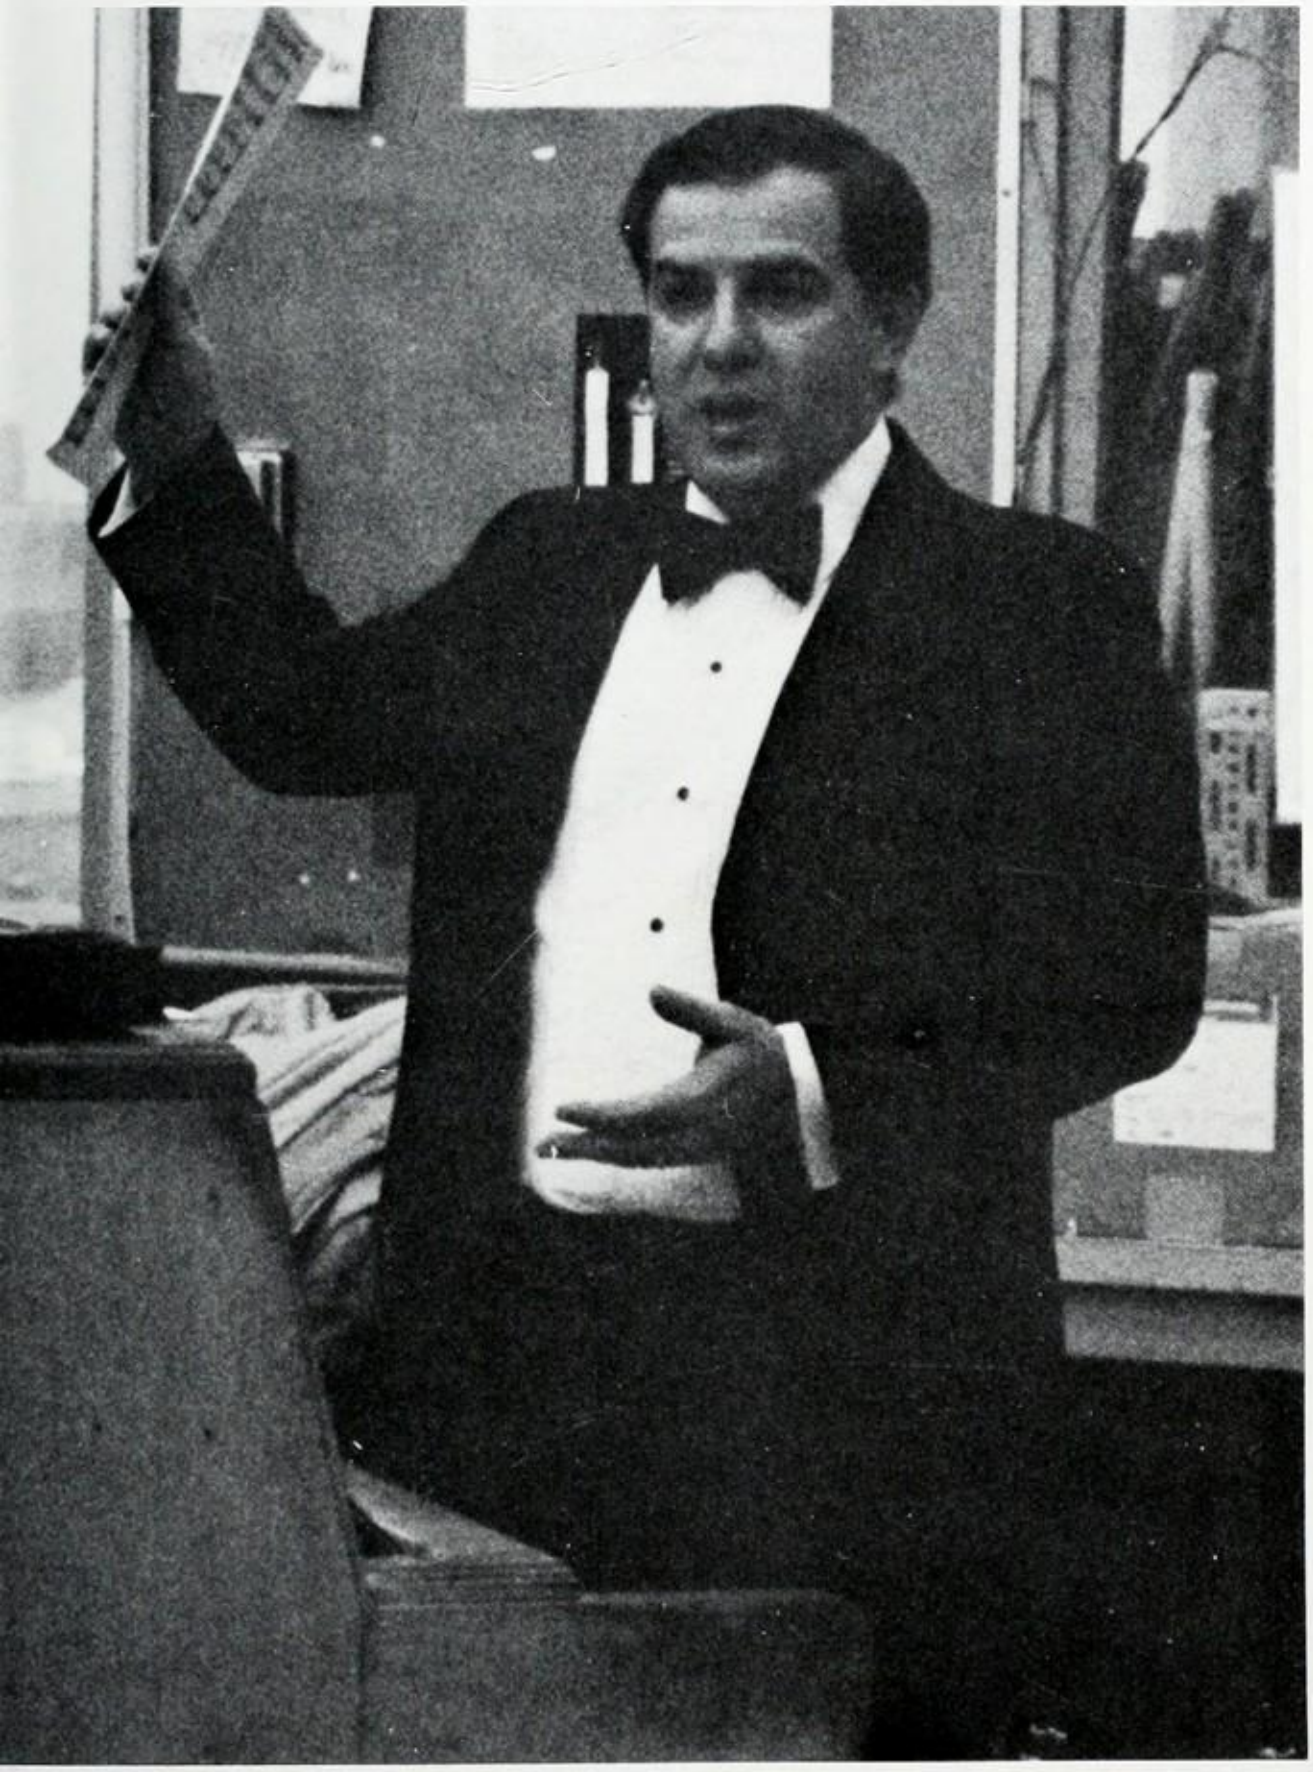
SINGING TO SUCCESS



Beginning the year with a new director, Chamber Singers have performed at Scripts College, various churches, Disneyland's Candlelight Parade, and other organizations throughout the valley. They also performed at the Christmas and 50's rallies. When asked about how Mr. Perrocelli felt about standing ovations he said "I felt really good about it, and that the group worked very hard to get this far." Mr. Perrocelli wants Chamber Singers to have the greatest amount of quality so that they are as proud of their performances as he was this year.

Above left: Mr. Perrocelli warming up the Chamber Singers before the Christmas Concert.

CHANGE OF DIRECTOR ADDS FLAME TO SINGERS

A Cappellas' director this year is Mr. Gabe Petrocelli. Mr. Petrocelli had some comments on the change of directing A Cappella from a band class. The change was a new challenge for him, although, choir had been a part of his background before. When asked about how the students in A Cappella adjusted to the change, he said that they've done very well. Mr. Bowers and Mr. Petrocelli have the same teaching style, so it was an easy transition. Mr. Petrocelli feels that A Cappella has as much talent as any other choir; their potential is limitless. Mr. Petrocelli was excited to find out that A Cappella was able to perform in the prestigous Candlelight Parade at Disneyland. He was very pleased with the success of the choir. Mr. P would like to thank A Cappella for being so cooperative with the change in directors. He is very pleased with the progress and looks forward to a strong next year.

JAZZING UP THE BAND

Jazz Band is one of the more difficult bands to be involved in. A person is personally asked by Mr. Petrocelli, the director. Jazz Band is a way of being involved in a band without being in just class participation. They meet two to three times a week at 6:45 in the morning and during second period.

The band has performed at many colleges and festivals. Their year will wrap up with a trip to San Francisco in late May.

KIDNAPPING AND COURT

King's court for 1986-87 was Anders Anderson, J.D. Armstrong, Carter Beers, Andrew Delgado, Joe Shaw, and Tim Sowers. The boys were kidnapped at 2:30 a.m. by the Senior Class Officers and then taken to Benji's for breakfast. After breakfast their kidnapping activities included: being dressed up as women, taken blind-folded to a freeway entrance carrying signs with different messages, playing leapfrog across crosswalks, and walking to school all tied up. King Carter Beers said he is honored and happy being named the 1987 Kings Ball King and he hopes he will be able to represent our school well!

KINGS BALL DANCE

This years Annual Kings Ball started with a ticket sell out at lunch. The rally was a success also. The guys were escorted by their dates through the tall flag girls. The Court told us a little bit about themselves, everyone of them enjoy seafood except for Tim , he preferred liver.

The dance was held at U.C. Riverside on February 28th. The colors that decorated the room were fushia, green, and black. The colors were expressed in balloons, with the courts names on them. The first dance began with the court and their dates. The theme for the dance was "Never let you go"

A.L. GUYS TAKE THE STAGE

Members of S-Club nominated ten of Alta Loma's best looking guys to be contestants in the 1986 Mr. Alta Loma Contest. The judges based their decision on the best legs, individual appearance, personality, and most photogenic. Bobby Brown was voted best legs. Brian Caldwell won most photogenic. Best personality went to Eric Holladay. Second runner up was Jeff Kettle, first runner up was Jeff Rubi, and MR. ALTA LOMA was Brandon Proctor. Other participants were Jamie Scales, Eddie Huerta, Greg Gillum, and Zack Sheretz.

Members of S-Club, after three months of preparation, were happy with the outcome of the contest. Brandon Proctor altered tradition of a senior Mr. Alta Loma contest winner. A sophomore shows Alta Loma spirit.

PRESIDENTS MESSAGE

Looking back on the 1986/87 school year, I have to honestly say that it was a very exciting and productive year.

Along with a new principal and several new staff members, there has been many changes around A.L.H.S. concerning school policies and school moral, which I am happy to say are all for the better.

I would like to thank all of our class officers, representatives, and A.S.B. officers for their teamwork in making this an enjoyable year. A special thanks to all of you, the student body for making it all possible.

PLANNING THE YEAR

tracks at the games. For the first time, hot food was able to be sold. They have hosted the District Leadership, been a part of the Diamond Jubilee. For the 7th year, A.S.B. has held its blood drive here at Alta Loma in the small gym. The Grape Bowl half-time festivities were sponsored by the Alta Loma and Etiwanda A.S.B.'s. With the help of A.S.B., the KROQ dance hosted by Richard Blade put Alta Loma on the Hollywood charts.

Writing With The Times

The 1986-87 Tepee Times staff has done an excellent job in covering stories and activities throughout the campus. Under the advisement of Mrs. Christensen the staff has asked students about comments in some articles they have published.

MAKING A TOTAL DIFFERENCE

The 1986-87 Sisunga staff was probably one of the largest staffs ever. The year was very challenging for the staff. Deadlines came so fast there was not anytime to relax. It was the first year a computer was used, which was a tremendous help. Together with the supporting advisor, Mr. Grasso, and judgement of Editor David Gard and staff, this years Yearbook was a symbol for Toral Difference at Alta Loma.

Love – Gloria 87'

Joel,

I'm not quite sure what to say. It's strange the way things have worked out between us. In last years yearbook we both wrote that we would always be friends. I feel that we both have learned and grown up the past year. We've shared so much together. Please don't forget what we had. I know in my heart that you won't forget me as I know I'll never forget you. You were my 1st love and I'll always remember everything about you. I wish that someday our paths will cross again and maybe then we can try to be friends. You are the only guy I have ever loved. I never wanted to have to say good-bye. My love to you always,

Remember: June 21st

Karrie

I want to Thank 4 very special girls: Cheryl, Racheal, Amy, Tami, and Alison. You all have meant the world to me. I seriously never could have made it without you!! I'll miss you all so much. Someday we'll find them All!!!

To Terri Robertson. You'll always be in our hearts! We Love you! Bobby & Rusty

Scholastic achievement reached a level of excellence as Brave Spirit flowed into the classroom. Not only was there pride and strength shown in athletic events, but in the classroom as well.

For example, twenty schools competed in the Academic Decathalon. Alta Loma High School placed fifth in math, fourth in fine arts, and fourth in essay writing. Among the competitors in essay writing, Mike Gerry placed frist and Waleed Grunden took fourth place. This is just one example of what made 1986-87 a year for much scholastic achievement.

A new Chief

A. L.H.S. has improved greatly during the 1986-87 year with the help of a new principal, Mr. Ward. His past makes him more than qualified for the job. He taught several subjects at Sierra High for thirteen years. During this time, he coached football and Varsity baseball for eleven years. For nine years, he was an administrator in the Walnut Valley Unified School District. At Walnut High he was boys' Vice Principal and Assistant Principal for eight years. Then he became Assistant Principal at Diamond Bar. Following, he was principal at Ontario High School for three years. On July 1, 1986 he became principal at Alta Loma High School.

Throughout the school year, the message has been clear — "The Pride is Back."

This theme was first stated by the football team, but quickly caught the imagination of the students and staff. There has been commendable participation and enthusiasm in all aspects of Alta Loma School affairs which has demonstrated that "the pride is back."

The yearbook theme, Total Difference, is well chosen because it reflects both that things can be different, and that the people, staff, students, and parents, of Alta Loma High School have the power to make a difference. Our task always will be to be sure the difference we make is positive and leads to greater student success.

Cum Laude Society

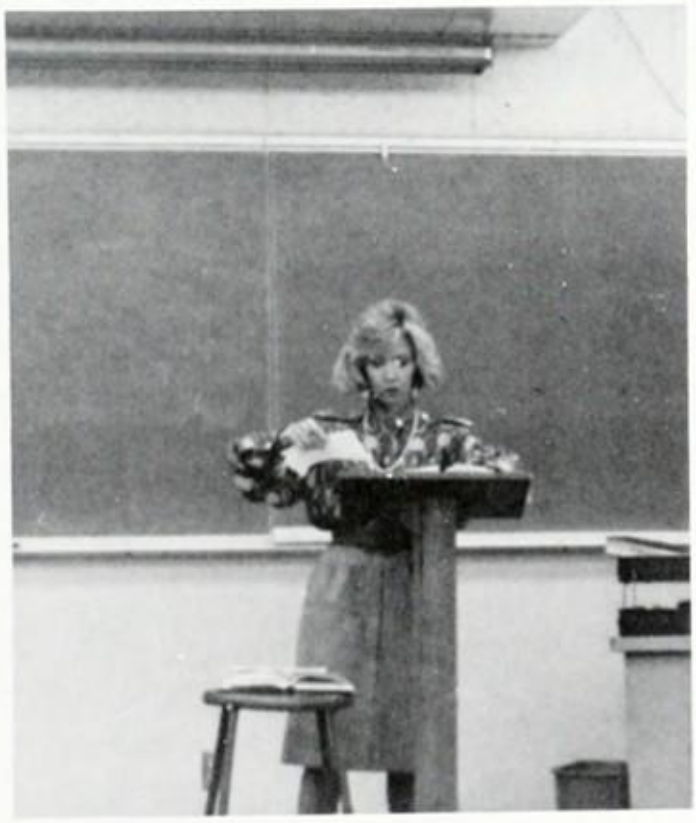
Cum Laude Society recognizes seniors who have maintained unusually high grades in a rigorous college preparatory program through seven semesters of high school. Members of the society will have their names noted on the commencement program, have "Cum Laude" printed on their diploma and the transcript, and receive a special certificate at the annual Honors Award Program.

The qualification requirements are very strict. A "foundation" list of courses, which represents a typical minimum college preparatory program, is made. An "advanced" list of courses, which should be taken along with the "foundation" courses, is also made. In the senior year, a minimum of three courses must be taken the first semester to qualify and three the second semester to maintain membership.

In regular classes: A=4, B=3, C=2, D=1 and in honors and AP classes: A=5, B=4, C=3, D=1. A total of 95 points is necessary to qualify for the Cum Laude Society.

Teachers Pride

Honors teachers have an extra challenge and privilege to work with a lot of high-energy students. Some honors teachers have had their best and worst moments spent in and during these honors classes. Different teachers think up exciting programs for their classes to see what has been learned. As all other teachers, they have the chance to see students grow from "intellectual adolescents into adults". Some honors teachers think teaching these classes is exciting but scary at the same time. As other teachers also do, they put a lot of preparation into the studies for the day. Over all, the teachers enjoy being with the students as well as working with them.



Above: Mrs. Polidki getting her assignments ready. Above right: Mrs. Pavey chatting with some friends. Bottom right: Mr. Castle helping a student with an assignment.

Honoring Honors

Honor students work very hard in what they do to achieve their best. These students show how ambitious they are by showing they can keep up with all the different types of work they are given, which is very challenging. These students are together in the honors classes from freshmen year to senior year. Some of the honors classes given are English, Math, and History. Honors science was offered this year to the students by Mrs. Pahl. Honors english teachers are:Mr. Palicki, Mrs. Palicki, Mrs. Schuler, and Mrs. Pavey. Math:Mrs. August, Mr. Cochran. History:Mr. Castle, Mr. Rhodes, and Mr. Duross. Honor students should be proud as they think of the things that have achieved in their classrooms throughout the year.

Academic Pride.

The San Bernardino Academic Decathalon took place at Cal State Saturday, November 15, 1986 from 7:30 a.m. - 5:00 p.m. 20 high schools participated in the decathalon. Alta Loma's participants in the scholastic category were Mike Gerry and Scott Porter. In the Varsity category we had Christa Highley and Susan Staiger. In the Honors category we had Waleed Grunden and Renay Lim. The alternates were Sondra Williams, Cheryl Henderson, Paula Lambert, and Brian Wasserman. The Junior and Senior participants were serious in their academic competition and recognition. The students began preparing for the decathalon during the first weeks of school in September. The preparation even involved extra work on Saturday and Sunday right up to the day of the competition. Mrs. Hall-Christensen gave them a study break on the final day and treated them to dinner at Flakey Jake's. On November 25, the participants attended the San Bernardino County Decathalon Banquet at the Orange Show Restaurant. They were treated to a steak dinner prior to the awards ceremony. In the ten areas of competition, Alta Loma placed fourth in Fine Arts, fourth in essay writing, and fifth in Math. Individual awards were: Mike Gerry, first in essay writing, and Waleed Grunden, fourth in essay writing.

Many advantages exist in participating in the Academic Decathalon. They have learned how to work as a team as well as performing as an individual. Also, colleges regard the competition very highly on applications. The particpants have done a great job and we are proud to call them Braves.

Band Boosters

For their outstanding work and many contributions, we are extremely greatful to the Band Boosrers. Their efforts include such fund raisers as hot dog stands and newspaper drives. The money earned from these events is used for the endless expenses involved in maintaining a marching band. They directly work with the band at field shows and tournaments. During these events "Band Moms" take care of areas such as getting water for band members and getting each member ready to go just before performances. "Band Dads" work on getting instruments on and off trucks, and driving the instrumental trucks themselves. Such parental groups as these are essential to many of the activities of our school, and we are always assured that they are standing behind us.

A Difference From All Walks of Life

An important part of our education is learning about other countries. Foreign exchange students come from all over the world to visit the United States. These foreign exchange students have the chance to visit both the U.S. and California but even better, they have the chance to attend Alta Loma High School.

Most of the students like Alta Loma High and feel it's much easier than school in their country. Sandra Tischer said, "My favorite class is drawing. In Germany, classes like this, driver education, and dance are offered in your free time." Yasuhiro Tsujinaka says, "Americans treat me like an American." Kristen Heilmann says, "I would like to return to the U.S. to live."

Academic Success

This year there are 14 Bank of America Winners. To be able to win an award, there are some steps that each student has to take. First of all, each department in the school nominates candidates to receive the certificate for that department. These students then go to a debate where they have to write an essay and have a discussion. By doing this, it determines who will win the plaques in three fields: Liberal Arts, Math and Science, and Fine Arts. The students who win plaques are eligible to go further and compete. To do so, they have to have a 3.00 grade average in their field. The final winners receive $2,000 for first place, $1,000 for second place, and $750.00 for third place.

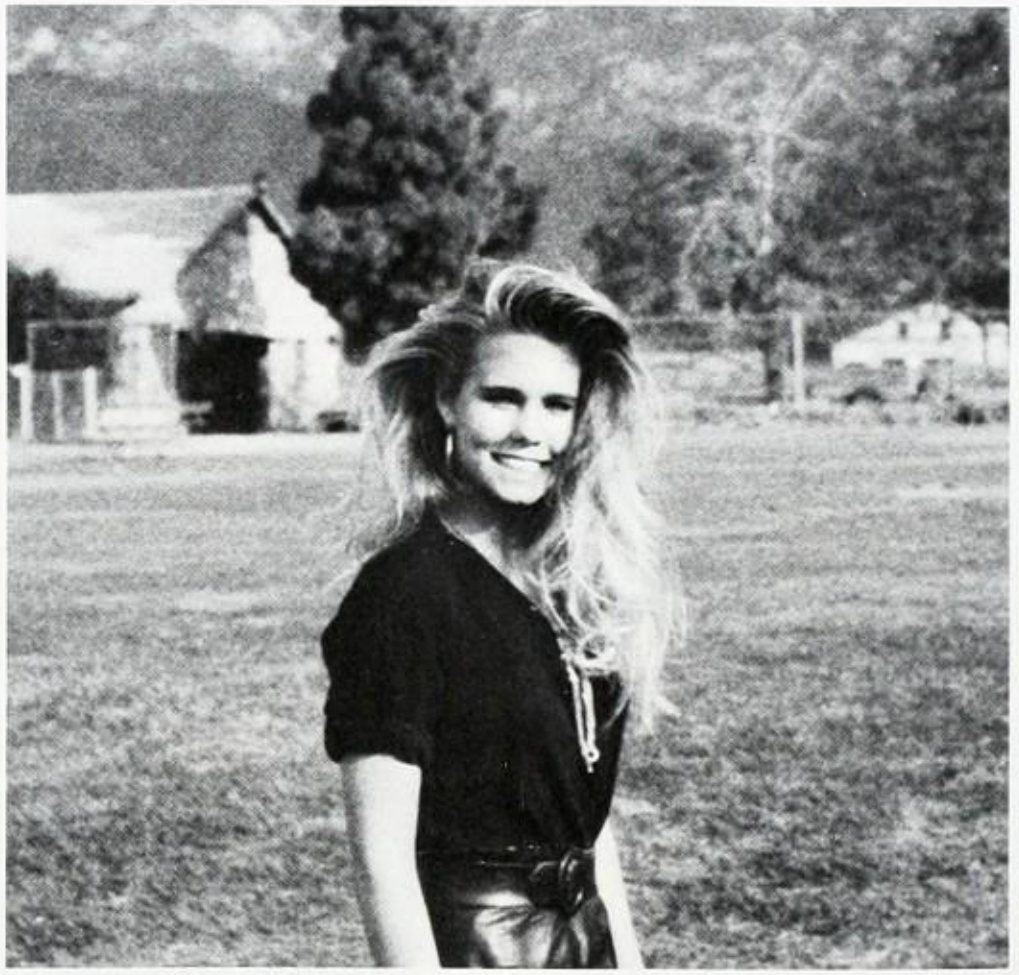
DAR

The Daughters of American Revolution award is given to one student who displays leadership abilities and good citizenship qualities. It is intended for the student who displays the service dependability and patriotism that will help them achieve their goals in life.

Aimee has shown the type of leadership needed to win the Daughters of American Revolution. Her academics and participating in honors classes was only one major factor to her success. Her involvement as a pep commissioner has shown her enthusiasm in the school and has shown her ability to lead the school. Not only has Aimee shown spirit and knowledge but her athletic skills and beauty make her a great success. To be nominated for Daughters of American Revolution, one does not have to be as involved as Aimee. Being a well rounded person and showing leadership qualities are some ways to get the award. Being kind and a good example for others show the leadership and support Alta Loma wants in a Brave.



Aimee Surer: DAR

CSF

The California Scholastic Federation is a federation that acknowledges outstanding students. The federation does not necessarily just look for honors students but for students who qualify. In order to qualify for CSF, one must have a certain amount of points. These points are taken from the grades that the individual has earned. Many people ask why a student should bother being in CSF. If students qualify for CSF, and has participated in it 4 out of 6 semesters, than they will receive special awards. The student may also use the award on their transcripts. People finally participated in CSF because they care about what happens to them in the future. The big turn-out of CSF participants showed the caring and interest students have had in their school. A.L. is proud to call them Braves.

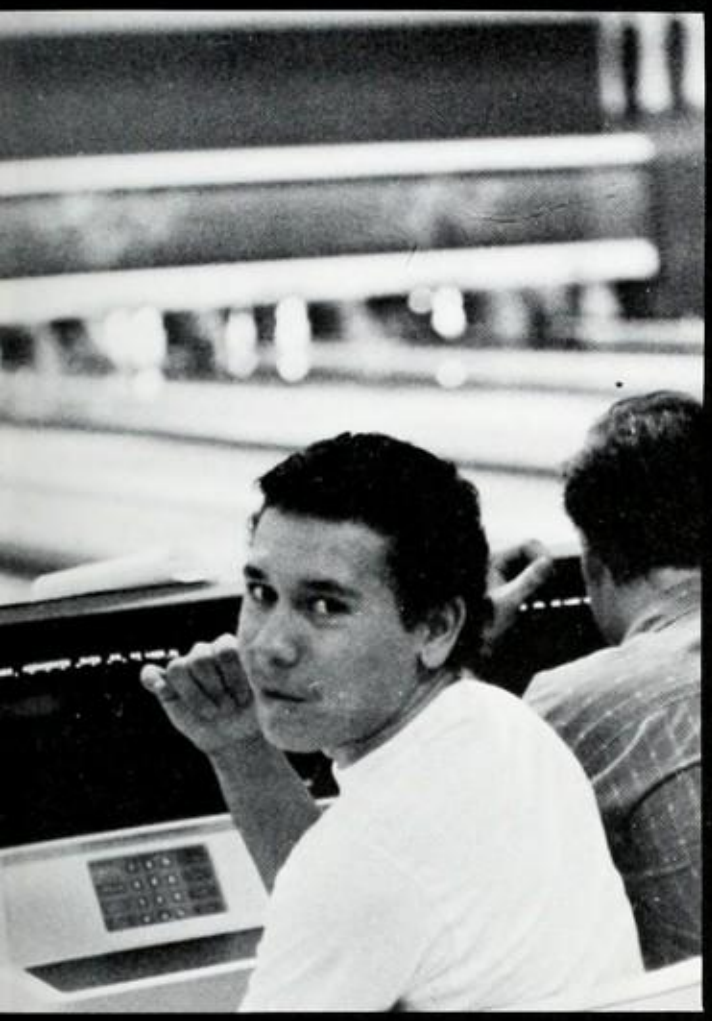
Clubs



Clubs at Alta Loma High School provided expanded horizons for the exploration of student involvement. Many new and interesting clubs were added to suit many different aspects of fun. The creative writings of the Young Authors, the aspiring athletic Lettermans, and the whiz tutors of Math and Science are just a few of the many clubs. Thus, giving students the opportunity to share experiences with others of equal interests. Along with the success of these exciting clubs, new and lasting friendships were formed. Students became involved with the growth of our school as well as the growth of school spirit. They have acquired many enjoyable moments that will be forever cherished among their memories as they walk through life.

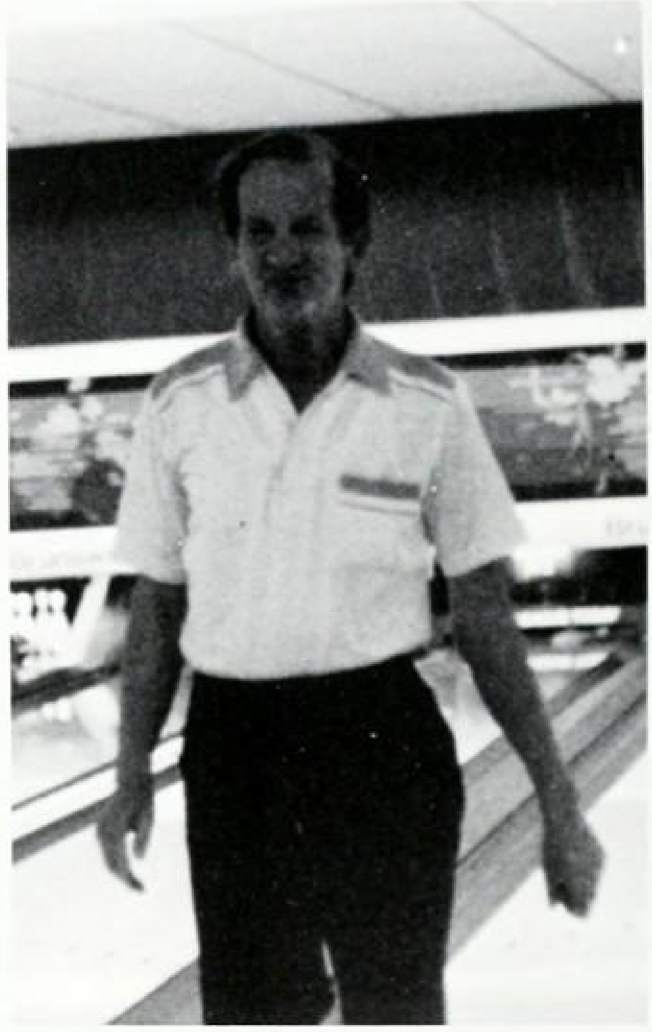
Rolling Down the Alley

The Bowling Club encourages a competitiveness among one another as each individual strives to become better and better. With the help of advisor, Mr. Vermilya, club members were able to gain some helpful tips and learn how to improve their skills. They achieved personal satisfaction as they accomplished their goal of knocking down all the pins. Requiring a steady arm and the ability to have an accurate throw, the bowlers were able to adjust to different methods of handling the ball. Although being amateurs, they showed professionalism and pride in their work as they were able to see the differences. A variety of emotions evolved each time one bowls, as the game is one of ups and downs. Given only two chances to knock down the pins, the bowlers tried to pursue the ultimate: a strike.



Left: Aiming for the perfect strike. Above: Mr. Vermilya gives a look of accomplishment. Below: Oh man, that was terrible!

Sue,
I'm not in bowling or nothin'; there's just no other empty spaces. Anyways, I glad we had ~~Trk~~ together, you gave me something to look at during Hamlet. Sue, go tear it up this summer but be sorta careful and most of all TRY NOT TO GET CAUGHT!!! This is important as trouble usually follows. OK? Promise me that you'll try hard in whatever you decide you want to do because I know you'll jam if you do. Well, I guess this is it! See ya later - love the bod! ~ Love, Sean [illegible]

Dramatize It

As with many different clubs this year, the Drama Club welcomed a new advisor, Mrs. Wormdahl. She got things going right away with "Of the Past", a variety show performed in November. The show was presented for two days. After the second night, there was a party for the cast and crew. "Grease", a play as well as musical, was next. This involved a much larger group of students because singers, dancers, and musicians were required. T-shirts and sweatshirts bearing the name "Grease" were available to those involved. In May, Drama put on a delightful comedy. All plays are performed for the junior highs in the area. This gives the actors a chance to practice before an audience.

One major project took place throughout the school year. Students worked on refurnishing the theater area. It badly needed organization and cleaning up. Mrs. Wormdahl wanted to make the theater more professional and was successful in doing so. The Drama Club kept busy with its productions and had a fantastic year.

All together now.

Shakespeares in the Making

As many other clubs did this year, the Young Authors Club made their debut. What a smash it was! Keeping busy all year, the students in this club learned how to improve their writing skills. The advisor, Mrs. Curley, expressed how much she enjoys creative writing and working with students who feel the same way.

The Young Authors Club displayed their talents in a literary journal they produced. This was among their many projects of the year. The students had the pleasure and excitement of talking with a variety of speakers and writers such as Ray Bradbury. The club's trip to a publishing company, possibly could be the place for one of the member's written works in the future.

Around the World

I.F.L.C. was founded in 1980 by Robert Durio. It was originally called the French Club but expanded into the International Foreign Language Club which consisted of both French and Spanish students. These students signed up for the opportunity to enhance their education by learning about other cultures. There, they developed an awareness and appreciation of their own.

The group leaders organized exciting trips to get these students interacting with the various lifestyles of each country. Sunny beaches, the mountains and Little Tokyo were some of their many knowledgeable trips which enabled the students to develop a closer relationship with many different countries. This group of outgoing students loves to learn new and different aspects of other nationalities. The club officers are: President, Denise Smith; Vice-Presidents, Martha Martin and Lance Martz; Secretary, Deannna Brock; Treasury; Renay Lim;and Social Chair, Cheryl Henderson.

All That Jazz

Every morning during third and fourth period while regular classes are sitting and studying, the Jazz Dance is up and exercising to jazzy music. These group of girls are given the opportunity to develop their own skills and talents of dancing. They use their potential and grace to perform the steps which are taught by Mrs. Hein, the teacher. Along with perfecting their dancing abilities, they also physically stay in shape.

Mrs. Hein, a talented dancer herself grades the girls on their ability to learn and their own creativeness. They perform for parents and fellow students a few times a year. The dancers are then given the feeling of accomplishment. This class has grown in popularity and will continue to prosper in its many years ahead.

Think Life

The continuing growing support for S.A.D.D. and other organizations have enabled people the opportunity to stop drinking and driving as well as having in themselves a sense of pride. Organizations are getting through to society as law enforcement officials and judges are enforcing longer jail terms and higher fines. They're being heard. This is the message and purpose of S.A.D.D. and it effects all of us.

So stop drinking and driving. Think about what you're doing and be aware of the effects alcohol has on your physical and mental ability to operate a motor vehicle. Realize if you drink and drive it may be the last thing you do. Show concern for your life, as well as the life of others, for often driving under the influence could cause permanent disability or death, to an innocent victim.

Students Against Drunk Driving is growing rapidly by spreading the word at football games, school functions, and their organized activities. Listen to what they have to say.

Lending A Hand

The younger group of Soroptomist, a service club, did many activities to help the school. They are better known as S'Club. Activities such as supporting school programs, helping the needy, and fund raisers were done.

They supported school related events like decorating for Homecoming and sport banquets. They offered their time to decorate and serve the parents of the athletes. Such banquets were tennis, water polo, and others.

During the Christmas season, S'Club entered a Christmas Tree contest and won third place which was a hundred dollars. It was determined on how many can goods were brought in by the group. These cans were than given to the needy families.

Their biggest fund raiser was Mr. Alta Loma. It has been in existence for six years now and is the most successful. The girls choose one or two guys from each class level, who are active in school activities. These guys are then judged for their numerous abilities, to become Mr. A.L.

This club serves the school to the best of their abilities, and does a great job.

The Letter Says It All

The Letrermens Club was a new addition to Alta Loma. The club has offered the opportunity for all enthusiastic varsity boys to promote athletics, advised by Brett Proctor.

Encouraging recognition, demonstrating teamwork, and friendship, they have made themselves known to everyone by being at the varsity games, giving their support and declaring their school spirit. The guys have a lot of fun doing this. At one of the games while the announcer was reading the players' names of the opposing team, some of the members of the Letrermans club stood up reading newspapers. The main activity put on by this club was the First Annual Miss Alta Loma Contest.

This sporty group of guys also makes themselves known with their special club patch. This neat patch design has been around for quite some years and now with the club back in operation, the patch is on the scene again!

The Key To Success

The Key Club is made up of students who help the community through constant projects. On Valentines Day, the members went to a nursing home and gave out Valentines. For their own funds, they had a car wash. Later in the year, there was a convention for Key club members throughout the area. The students listened to speakers, learning about ideas that will help the club.

Kiwanis sponsor the Key Club and are present at their meetings. One evening, there was dinner and entertainment for students provided by Kiwanis. The advisor is Mrs. Gerders.

Formulas and Figures

The Math and Science Club under the direction of Mr. Curley, Mrs. Gerdes, and Mr. Jepsen, began early in the year. The members esrablished their tutoring services and elected officers. Once a month the Math and Science club took a specialized math test. Each time points were added to their score. When the testing was over, schools with the best points won well deserved recognition. Students in this league eagerly worked to achieve high scores. The Math and Science Club also plans a variety of trips and activities. One trip involved seeing how lazers work. Seniors, through the club, could attend an engineering seminar. Going sailing was a fun-filled trip for the students also.

The Math and Science club holds appeal and value to those involved. Why do these students join and stay with it so fondly? "I joined the Math and Science Club because it looks excellent on college applications and because I enjoy math and science", states Math and Science President, Scott Porrer. Vice President of Science, Deanna L. Brock, voices, "I believe for one to actually gain an understanding of a particular field or interest, one has to go beyond the class room and explore it further." The Math and Science Club members are active, supportive, and bright.

Sports

The athletes have gone beyond the call of duty to prove that "The Pride Is Back"! By participating in sports, the students here at Alta Loma have the opportunity to show this to the whole Baseline League. One can't help but be filled with school spirit in watching a Brave team, no matter what the sport may be, all pulling and working together to prove that we're the best! How did we prove this? By winning our first Homecoming game for the first time in ten years, and by having many of our teams go to CIF or coming close. A "total difference" was shown in the efforts and eagerness to be the best. The Pride Is Back and do we have news, it's here to stay!

Athletic Boosters

The Athletic Boosters have been standing behind us and our athletic teams, helping us to regain the spirit that makes Alta Loma high school number one. They have given countless hours in the form of fund raisers which finance our entire athletic department. These fund raisers, such as early bird bingo and sales of fireworks on the Fourth of July, are just a few of the activities which lead to the $30,000 a year that they provide for our school. The money that this group makes goes directly towards areas such as athletic equipment, and bus transportation to and from athletic events. Their service is clearly invaluable to our athletic department, and will continually be appreciated.

President Bob Combe explains his new ideas on organization, while fellow members listen attentively.

A few of the Athletic Boosters pose together as a group. The entire membership in no specific order includes: Nancy Hanna, Gail Beers, Pete Gunby, Tom Cook, Judy Massagli, Bob Combe, Suzanne Boal, Mike Kertle, Sandie Oerly, Dave and Kathy Rands, and Karen De Mauro.

The Pride Is Back

This years Varsity football team showed the community and the entire Baseline League that "the Pride is back!" Our players' time, effort, and determination were captured by our coaches hard work. The coaches were: Mr. Keough, Mr. Kettle, Mr. Cronan, Mr. Cook, Mr. Holladay, and Mr. Proctor. Many people are not aware of the hard work and time taken by the players and coaches. The players' workout starts out prior to the opening of school. This years workout, unlike previous years, consisted of a rigorous weight-lifting program. Much more was involved though, mental preparation is a must in this sport.

The Braves had a 4-3 record, placing third in league; stepping over Chaffey with a big win of 32-7. Upsetting Don Lugo with a score of 21-10, the Braves went on to play Glendora for our Homecoming. After trailing late in the game, Brandon Proctor connected to wide-receiver Robert Harrell in the end-zone with 57 seconds left in the game. Brave spirit filled the air as we won our first Homecoming game in ten years! The Braves kept on fighting, finishing off the season with a 13-7 victory over Pomona.

Young Braves

The freshman football team was a quite young team and had a tough season. Their record was 1-7-2. Through much trial and error, the team was rewarded with the highlight of their season being an awesome victory over Pomona. The Braves looked exceptionally well in that game ending up with a score of 28-0.

Our Junior Varsity football team had a much more successful season, ending the year with a record of 6-4. This was a refreshing finish for the J.V. team. The Braves played well throughout the season coming out on the winning side most of the time. They won some very difficult teams which made the season very exciting.

Met The Challenge

The Boys Varsity team enjoyed another successful season with a five win two loss record. They placed fourth in the Baseline League and were paced by the following runners; Steve Kuch eleventh place, Jason Chapman seventeenth place, Roy Wiersma twentieth place, Matt Higgins twenty-first place, and in twent- eighth place was Chris Hillman. Although the team did not qualify for CIF, they ran to their eighth consecutive winning season.

From the coaches point of view, the team put out their full effort, both in practice and at the meers. Coach Rhodes was happy at the results of the boys efforts and hopes that the hard work will improve their record in 1987. The team co-captains were Steve Kuch and Brian Lee. The special awards were given to the following; Most valuable was Steve Kuch, for most improved was Shawn Hodges, and most inspirational was awarded to Matt Higgins.

Keeping The Pace

After a slow start, the Girl's Varsity team rallied to finish third place in the Baseline League. This finish enabled the girls to advance to CIF finals for the sixth consecutive year. Strong performances were put out by the following: Jody Uribe-ninth place, Peggy Sweetwood-twelfth place, Kathy Loomis-fifteenth place, Kim Rhodes-sixteenth place, and Katie Olander- twenty-seventh place.

Most Valuable Player went to Jody Uribe. Most improved went to Kim Rhodes, while Bess Baer was awarded most inspirational. Captain of the girls team was Kathy Loomis.

A Quick Pace

The J.V. Cross Country team proved to be one of the top J.V. teams in the Baseline League. Their record was six wins and one loss, as they captured second place in the league. The top finishers in league finals were , Mike Berg - fourth place, Brian Thornhill - ninth place, Shawn Gerkey - twelfth place,Greg Nielsen - thirreenth place, and Regis Scoubart - fourteenth place. "This years J.V. team was one of the best I have ever had. Losing only to a strong Upland team, the Braves destroyed the other league competition." Coach Rhodes said. This team put out a lot of effort and hard work for their results.

Persistence

The Frosh-soph team had a good year with a four win three loss record, as they placed fourth in the Baseline League. The top finishers in league finals were; Shawn Hodges - eighth place, Dan Crosby - fifteenth place, Neil Mercurius - twentieth place, Jeff Morell - thirty-second place, and Ed McNabb - fortieth place. These places were out of sixty-six places in all. Coach Rhodes said, "I am pleased with the effort that the Frosh-soph team put out this year. Even though they were inexperienced, they ended up with a winning record. Hopefully many of these runners will end up on the Varsity team next year."

The team spirit was high this year which helped to produce a winning season. The special awards given to the team were; most valuable - Dan Crosby, most inspirational - Bill Lamb, and most improved - Neil Mercurius.

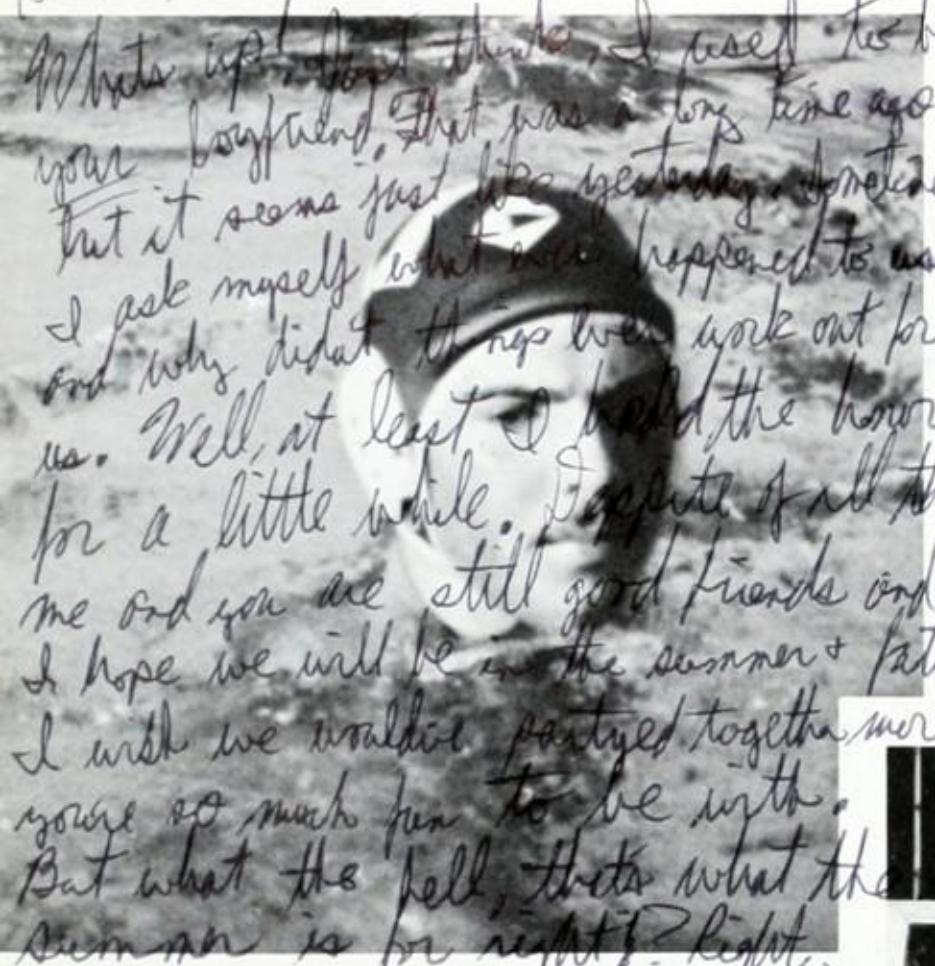
Making a Splash!

Success isn't easy, and our own Varisty Waterpolo team can readily agree with that. In preparation for the games, a strenuous practice was held each day. Many students aren't aware of what their regime was. It consisted of running perimeters and up-and-down the bleachers overlooking the pool several times then, countless push-ups. After their trekking about the school, the team would swim five hundred yards in the racing pool. Five-hundred yards is about twenty laps. All this is necessary in building strength and stamina, two very important factors in the game. Equally important is skill. Shooting drills as well as strategy "experiments" were worked hard on, also.

What was the reward for all this? A great season and a very strong team thanks to a good coach, Mr. Thornhill, who has been the waterpolo coach here for quite sometime. Our Brave team placed third in league. Great season guys!

Hi Sue,



What's up! About time, I used to be your boyfriend. That was a long time ago but it seems just like yesterday sometimes I ask myself what ever happened to us and why didn't things ever work out for us. Well, at least I held the honor for a little while. Regards of all that me and you are still good friends and I hope we will be in the summer & future. I wish we would've partyed together more, you're so much fun to be with. But what the hell, that's what the summer is for right? Right.

Shoot For It!!

Junior Varsity Waterpolo has been a strenuous yet rewarding experience for each member who became a part of the team. Workouts for conditioning were difficult yet they brought more strength to each individual. Coach Thornhill was always looked to for encouragement and guidance during frustrating times. He was an invaluable part of making this team so great. As the skills of each player sharpened ,the players began to experience the reward of accomplishment. They knew that what they did well, and they enjoyed it. Spectators were always a boost as they cheered at every game. All of the hours of grueling work paid off when the pride of Alta Loma was shown off in a remarkable way.

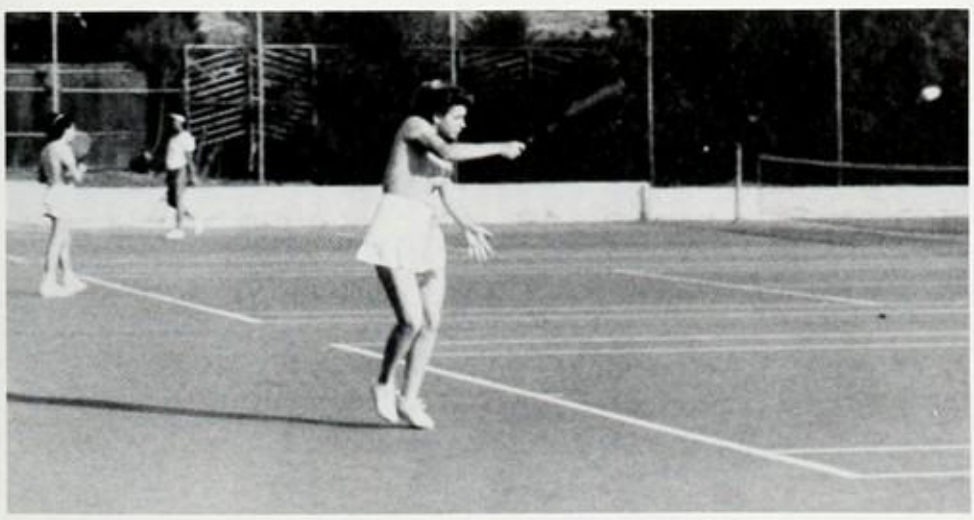
The girls' Varsity Tennis team, coached by Mrs. Rhonda Hein, enjoyed yet another successful year!

The team met many of their pre-set goals with the teams from Glendora and Claremont being their toughest opponents.

What makes our team super-hot? Coach Hein expresses her theory as being the air of competitiveness among the team. These women are tough and being that way helps them stay on their toes. This is especially important in those close, nerve-wrecking games they are quite familiar with.

Most of the players were Juniors and Seniors and Mrs. Hein expects that the ability possessed by the team, Alta Loma should have, once again, a spectacular season!



Kendal Harre's forehand follows through smoothly.

At The Net!!

Yet another group of outstanding girls, the Junior Varsity Tennis team proved to be the best. Coach Becky Bonneville had a "new" team this year with only four returning players. They were: Kim Basen, Jennifer Balint, Heather Howland, and Irene Rutenburg. In this case, fortunately, new faces meant new talent. All these young women worked hard on learning all the basics and willingly took constructive criticism. The team consisted of three doubles teams and three singles teams. To get these "playing" positions, the girls had to challenge each other. The top winners of the week got to play in the up-coming match. You had a great season, girls!

This years J.V. volleyball team has had a great year. They were tied for first place with an excellent 13-1 record. The team was made up of mostly saphomores, so most of the girls had played together the year before. All the girls are looking forward to a very successful year next year.

The freshman volleyball team also enjoyed a very good season. The team tied for first place, and finished with a 5-1 record. Even though the freshman team didn't have as many games as the Varsity or J.V. teams the girls all put in a lot of practice time.

CIF Quality Team

The Alta Loma Varsity volleyball squad had a most impressive season for its 86-87 year. Overall, the girls placed second in Baseline League, with only one loss to Upland High School. Due to their great league record, they made it to C.I.F. With well-learned victories against Indigo High and St. Mary's High, Alta Loma pushed on! They unfortunately lost to Atascdero in the C.I.F. quarter finals.

The most improved player was Kristen Herchenroeder. Most inspirational was awarded to Yolanda McFalls. Our Most Valuable Players were Ginger Arceneaux and Stacy Simpson. Stacy was also awarded Baseline League M.V.P. and she made All C.I.F. First Team. Congratulations to everyone for their achievement and the entire team for their outstanding effort and teamwork.

Against It All

It was a year of great victories and bewildering ties, that culminated in the worst tragedy of all, not making CIF. The Baseline League had one of the closest races in its history, with the top four teams within five points of each other and with only one of these being able to go to CIF. Unfortunately, it was Alta Loma who came in fourth. Just one point behind the third team and yet the point difference seemed as vast as the universe itself to the team who had great potential and talent.

Working To Succeed

With the combined efforts of Coach Gary Funtas and the girls Varsity soccer team they had a very successful season. Going to CIF with the placing of third in league. This young team won many games. Playing Chaffey twice, they came out on top both times they came out victorious with Glendora also twice. Dan Lugo saw the Brave spirit with a final outcome of four to one. Claremont and Pomona were other schools that met the notorious winnings of the Braves. To gain these accomplishments, strenuous practices were a definite must. The practices were five days a week from two to three hours long depending upon how the previous game was played. At the workouts they practiced as long as it took to correct their faults. To improve their skills many hours of running and jumping rope were included in the season. Part of this sport is working together, the team captains, Lisa Campbell and Suzy Thomas achieved that. With all these things added up a great season was shown.

Going for the Goal!

Under the direction of coach Sylvester Martinez, Alta Loma's very own Junior Varsity Soccer team rose to the top.

Many people are unaware of the conditions during practice. One of the unpleasant facts during the season is the cold weather. This sport is truly one of "survival of the fittest". Not unlike the rest of Alta Loma's sports, the Junior Varsity team had a strenuous pre-season conditioning program. Thanks to their endurance and tolerance, we had a great team.

An interesting "tradition" before the second half of a game would start was having the whole team line up in two lines facing each other. After linking arms, goalie Edy Huerta would hurl himself on top and be bounced all the way to the end of the lines. This was funny to watch and a great way to get the team psyched up for a win!

The girls J.V. Soccer team has proven that they can compete with the best. Even though some members moved on to the Varsity team, the J.V. team was not discouraged. With the skills of Joy Tuncay, Michelle Showers, Jamie Moore, Stacey Malsberger, Michelle Laramie, who are among the top players, and the rest of the team, they managed to place second in league. Their coach, Luigi Traverso also helped out. Without his support and knowledge of soccer, the J.V. team would not have been able to be where they are now.

This year, the J.V. team has something to be proud about. The girls also are looking forward to play next year, either as a Varsity or J.V. player. Which ever team they play on, they are still number one. The Yearbook Staff also wish them well.

Our young Braves have done it again! The Freshman Soccer team, though young, were tough. They showed great Brave Pride as they stomped and kicked their way to victory. Most of the players are experienced, having played for many years before. The whole team appreciated their coaches' hard work along with the support from parents and other spectators.

Many of the players on the Freshman team plan on eventually making Varsity and it's the optimistic thinking like this that make all our teams number one. Way to go, guys!!

Hitting The Mat

This year the J.V. Wrestlers, under head coach Mike Kettle and assisrant coach Tom Bravo, have done a superb job. As a team, they remained undefeated in league (6-0) and now have that title to add to their list of accomplishments. They won 13 out of their season's 15 dual matches, and placed in 3 of the 4 tournaments they attended, (second at the Charter Oak 5-way and Etiwanda Invitational, and third at the Colton Invitational). Individually, it had been filled with many able wrestlers. The top three records being Alex Sanchez (21-1), John Wickum (17-3), and Mario Cortez (16-3). Indeed, all the hard work had payed off!

Alta Loma, Stick!

This years varsity team proved to be 'number one'. Finishing with a perfect record of 6-0 in league, they placed first in Baseline league for the fifth year in a row. The team took first in four tournaments, a second place, and a third place at two more tournaments. With one of the best programs in the league, anyone could see the special unity that the team had this year. The team had a difference in coaching, Tom Bravo, a former wrestler at Alta Loma, was made Assistant Coach along with Coach Mike Kettle. Eight Braves went to CIF finals this year; Ray Larosquin-101 pounds, Tom Guenther-108 pounds, Barry Rudesil-115, Tony Carlo-122 pounds, Steve Barbee-141 pounds, Jeff Kettle-148 pounds, Tracey Morell-157, Brandon Proctor-167 pounds, Eric Holladay-178 pounds. All in all Alta Loma Wrestling gave a hundred percent, showed the Alta Loma Pride and came out on top!

Braves On The Rebound

The Varsity Boys Basketball team had a very good year. The enthusiasm was high throughout the season. Preseason, they won the Consolation Championship in the San Dimas Tournament of Champions. In the first game of the season, the Braves defeated the Alumni. The highlight of the regular thirty-two game season were two victories over rival Upland and two victories over rival Chaffey. The Braves were on the hunt for a playoff spot up till the last week of the season.

Competition was tough, with the Braves finishing the season with 6 wins, 8 losses and fifth in the Baseline League. Eleven wins and 13 losses overall for the season was their record. Leading scorers for the team were: Anders Anderson averaging 20.7 points per game, Rich Allen averaging 15.7 points per game, and Pete Everett averaging 14 points per game.

The Alta Loma Hoop Shooters

Alta Loma's Girls Varsity Basketball team was a very young team, but they still pulled off a winning season. Because of their good potential and enthusiasm, they had many close scoring games. They all put tremendous physical effort and spirit into the game.

It was hard, at first, for the team to adjust to the new coaching, but they all gave it their effort and came through. All of the new girls got opportunities to play, which gave them all the experience of playing at the Varsity level. This taught them to hustle, especially against the taller teams.

All in all, they all worked together and finished with a gratifying season.

Reaching High

The JV Boys Basketball team had an up and down season finishing 3-17 overall. The highlight of the season was 2 victories over Don Lugo. The JV team had only 3 players that have played high school basketball before. They made great progress throughout the season. Leading scorers were: James Guss; 10 points per game, Chris Calero; 8.5 points per game, Jason Stanley; 8 points per game and Daniel Tillett with 8 points per game. The leading rebounders were Jason Stanley and Chris Calero.

They Gave 100%

The girls JV Basketball team had a fun year regardless of the 7 win 12 loss record. This team knows what it means to work together and put full effort into each game. They practiced about 2 hours each day and games were usually on Tuesdays and Thursdays. The most valuable player was Donna Learn given to Alienne Ray was most inspirational and most improved was Nicole McKendall.

A note from the coach: They began the season with a common goal: they wanted to play basketball. But the girls JV Basketball team learned a lot more than how to dribble, shoot, and play defense. They learned that having a successful team means teamwork. The camaraderie and memories will remain long after the basketball has stopped echoing in the gym or chants of "Be a PIG" (Pride, Integrity, Guts) are gone.

Team Spirit

Will it go in?

This years Frosh-Soph Basketball team had a record of 0 wins and 18 losses. Even though they didn't post a winning record, the players experienced a lot during this time. They learned about teamwork and sportsmanship while developing their skill. Parental support played a big role in keeping the team moral high. With the help of Coach Vasquez the team practiced about 2 hours each day. Coach Vasquez's goal for this year were to reach the basics of basketball and improve the players individual skills. Also important was the enjoyment of competition. Consistent performances were turned out by Chris Robinson, Bryan Beadle, Jim Hanna, Niel Mercurius, Andrew Vasquez and Tony Bernal.

The Varsity swimming team has had a promising season with an increase in members since last year. The team consisted of thirteen members and two new coaches, Head Coach Tom Maples and Assistant Coach Bonnie Kirker.

With high team spirit and cooperation the girls showed much improvement through the year. With about seven meets during the season and some meets on Saturdays the girls experienced tough and exciting competition. "This was a good season for the girls swim team. We had a lot of fun at the meets and some good swims," says swimmer Carrie Racey.

Practices were each day between 1:30 and 3:00. Workout starts out with a 500 yd warm up and consists of a lot of yardage and working on pulls and kicks. This years workouts being longer and tougher than past seasons, the girls benefited from their hard work.

Stretch it Out!

Under the direction of Coach Tom Maples, the boys Varsity swim team practiced everyday for their 8 meets of the season. Consisting of a variety of relays and individual races, each swimmer competed 3 times in a meet. They prepared by swimming laps, using bouys for arm muscles, and kick boards to strengthen their legs. Even on the days when everyone else was wearing jackets and warm clothing, the swim team was in the water.

The Varsity team was a mixture of Sophomores, Juniors, and Seniors. Together, they made a strong and powerful team. All the swimmers were packed with speed and endurance. Swimming that extra lap and practicing just a little longer made the Braves swimmers better than the rest.

Swimming Fast!!!

The J.V. Swimming team had an exciting season in '87. Though the team was small, consisting of only six members, they swam to victory.

In previous seasons the J.V. team did not have a separate year. Having their own coach made a big difference. The team liked this better. Having Coach Bonnie Kirker has helped the boys improve throughout the season.

Coach Kirker practices each day from the beginning of 6th period until 3:30. Practiced range from 25 yard sprints to 500 yard distance swims. Butterfly, Backstroke, Breast stroke, and Free style make up the basic strokes in competitive swimming.

The teams goal is to improve their skill so they can move up to the Varsity team.

Splashing Success!

The J.V. swimming team had twelve members and was directed by Coach Bonnie Kirker.

They practiced every day and had meets on most Wednesdays of the season. The team was strong this season because of its size and the coaching and training, the girls went through.

Team spirit and support was seen throughout the season from the team. They cheered on their teammates which helped the girls swim faster in meets.

Havin' Fun Flippin' Out!

The Diving Team has gradually grown over the years at Alta Loma High School. From a slow start in 1984 with no diving team to a team of eight divers. From the beginning, the year's outlook was good.

It takes a lot of concentration for divers to prepare themselves for a dive. Although it is an individual competition, the divers are still united as a team. To earn a good score, they must have a good form, good height, and a good entry with "no splash". The Diving team's accomplishments have proved to be very rewarding. "The year was promising for the Alta Loma Divers. Hopefully, next year there will be more participation so we can have the best team ever," stated Diver Jackie Hughes.

The Right Track

This years Boys Track team had a very successful year. From the beginning of March to the middle of May, Alta Loma's fields were filled with members practicing everyday. Jumping hurdles, or pole vaulting the team showed promise from start to finish. Coach Palicki, head coach at Alta Loma for seven years, is very pleased with this years turnout. With one of the largest teams Alta Loma Track has seen, it is easy to see why they are one of the best teams in Baseline League. At every meet shot putters were shotting for the best, long jumpers leaped over other schools, and runners strived for that extra yard that put Alta Loma on top. The 1987 Boys Track team showed that the Pride is Back!

On your mark...

This year's girls track team got off to great start. An average war-up consists of 20 minutes of stretching, a short jog, and most importantly, relaxing mentally for the fierce competition about to come. After the race is called, the girls line up at the starting line. The sound of the gun marks the beginning of the long struggle that the girls must endure to achieve victory. And they were off, pacing themselves as one girl pulls ahead. Stepping over the finish line, and hearing the crowd cheer, gives a girl the incentive to go on. This is just a typical event that is experienced throughout the track and field season.

High Expectations

Varsity baseball had set great goals for the season they had this year. When having listened to some of the players, it seemed that meeting college scouts and "nailing" the ball against some of the hardest pitchers in the league, were at the top of the list. Understanding that after all the "tuning up" and practicing that was done by the team, it was no wonder their goals were set so high.

Their reason for doing so well was the team's great attitude and team work, which Coach Cronan and Assistant Coach Robinson had a lot to do with. It seems that this school's pride has carried out through every sport, and Alta Loma's Varsity Baseball was no exception!

Runnin' Home!

We all can take pride in our Junior Varsity Baseball team because they are competitive, enthusiastic, and energetic. They really have their act together; as a team. Practicing everyday after school helped them gain self-confidence while each individual developed their own talents. They had plenty of school spirit and strived constantly to put their best effort forward. The respect we have for this J.V. team has grown with the their show of determination. We look forward to next year as they become our future Varsity players. Their aggressiveness and determination should take them to the top.

The Freshman Baseball team had 18 players to start off the season. This year, Coach Beckley said he was looking forward to a very competitive year. The team had a good pitching staff, good overall speed running the bases and in playing the field. Beckley said the players had better than average ability. The outstanding players of the team were Johnny Balderrama, Brian Bendik, Jon Edson, Ken Elliot, Darius Smith, and Danny Trimmer. The Freshman team practice was broken down into specific skill areas. The offense and defense were separate. Then the defense was separated into infield and outfield, for about 30 minutes. Then the players combined for 30 minutes more. The last hour of practice was spent in the batting cages. Mr. Beckley said that spirits were high and so was the desire to have a successful season.

Expertees!

Golf this has been exciting. The Varsity Golf team had started off the season with a 7-0 preseason record. The team had a lot of potential and with a lot of discipline and hard work, the team did very well in this tough league. With five returning players and many more new players, the golf team had a great start. Some of the returning players were Juniors Bob Brown, Mike Fogt, Mike Gerken, Kyle Humphrey, and Rob Muster. Head coach for Golf was Tony Grasso and assistant coach Robert Durio. With high team spirits and participation the team did very well this year.

Batter Up!

The Varsity team faced a tough schedule this year. With the experience of the returning players and the blend of new players, Mr. Vasquez's group were tough competition this year.

Seniors Marnie La Fleur, Suzy Thomas, and Tracy Yniguez provided the necessary leadership and experience as they paved the way for the rest of the team. Juniors on the team were:Missy Laramie, Tami Fandre, Laura Greene, Cindy Spengler, Stacy Lopez, and Dana Preston.The only Sophomore on the team was Monica Vargas. As Freshman Nancy Ragon and DeeDee Zwerner grow in experience so will their performance as they move up in the standings. The girls will prevail with their enthusiasm and "new" pride as number one!

Play Ball!

The efforts put into this season paid off very successfully. The young Junior Varsity team was willing to learn and defeat. With two hour practices every day of the weeks their hitters and defense improved. Coach Mangels gave constructive criticism to get the best out of our Braves . The team captains: Missy Arango and Christy Smoot helped organize and support the other girls through team problems and their feelings. With their skills they went to Montclair to play and came backs with a glorious victory. Midway through the season, the team is undefeated. That shows a lot for the school. We're lucky to have this prode on our side.

SMASH!!!

Varsity Badminton had a very young team this year. Coach Cook said,"The season was very enjoyable, we had a young and talented team. We had only three Seniors; they were, Brian Oerly, David Taylor, and Misty Biedelman, who did a very good job with leadership and aggressive play. There were seven players on singles and they were: Juniors Dennis Beene, Kyoung Kim, Karen Grieco; Sophomores Anita Araguz, Jennifer Balint. The doubles players were David Taylor, Jeff Smith, Tom Guenther, Jeff Onstott, Misty Biedelman, Irene Rutenburg, Heather Howland, Julie Angold. This years' team was a lot younger than last years' and proved to be hearty competition for years to come.

Causing A Raquet

Alta Loma is coming back, stronger than ever, and it definitely shows in the this years Boys Varsity Tennis Team. This years team is one of the best boys tennis team AL has ever had. Coach Brett Proctor said that he was thoroughly excited about the capability of this year's varsity group. At the start of the season, Proctor was planning to have a definite CIF bound team. With pre-season wins over Ontario, Walnut, and Etiwanda, they displayed their talents and capability and showed that they meant serious business.

The team consists of almost all seniors, with many returning players, who were all anxious to go back into battle on the courts. So Look Out! Alta Loma is back!

Sue,

Hey woman the year is finally over. I can't believe we made it - but guess what - WE DID!!! yeah. Im really glad I got to know

Successful Year!

The team this year had many first year players who worked very hard to improve their skills. Their hard work helped them in the season and helped them prepare for next year. Their hard work helped them strive for success to be the best they could be.

This years team is especially looking forward to next season when they become a part of our Varsity team.

Coach Cook replies, "One of our finest players!"

you better in English. you're a really sweet person and a fun person to be around. Good luck to you in the future Im sure you'll make the best of it.

Following Through!

The Tennis team this year was made up of a bunch of determined guys who were willing to fight for victory. Their hard work and good attitudes have shown A.L. that they have pride in what they do and want to be the best they can. The guys' hard work at practice showed how well they played in the games. The guys not only learned how to work as a team but they also learned how to build friendships and work individually.

To be on the Tennis team there exists many requirements, two of them are dedication and spirit. We are truly proud to call them Braves!

LOVE YOU guys & I'll miss you!! ♥ Gretchen P. 87

I WOULD JUST LIKE TO THANK ALL MY FRIENDS ESPECIALLY JIM, TROY AND TIM. IT WAS A GREAT YEAR EVEN THOUGH IT WAS CLOSED CAMPUS. HA HA. I WANT TO TELL MY PARENTS THANKS FOR THE SUPPORT AND ADVICE THROUGHOUT THE YEARS. I'M SORRY ABOUT ALL THE GREY HAIRS THOUGH. HA HA. TO EVERYONE, GOOD LUCK IN THE FUTURE.
CLASS OF 87 JOE F.

4 years ago, I never would have guessed that I would leave here w/ so much. I'll totally miss staying up all night gossiping w/ Tam + Gloria, or bugging Tony Bailey to teach me how to Cha-Cha or leading the cheers at the games! For the last 4 years, my friends have been my inspiration. I'd especially like to tell a few people how much I love them: 1.) my honors buds - there is no one I'd rather spent the last 4 years with 2.) the most awesome pep squad + friends ever. 3.) my J.V. babies 4.) my 2 favorite Jrs. - Karren + Angie B. 5.) the most awesome guy on campus - Fred. and my other senior buddies whom I love so much. And to Tam + Gloria - the two best friends I could ever have. A special I LOVE YOU to my family who have been my strength since the day I was born! I AM SO PROUD TO BE A MEMBER OF THE CLASS OF 1987. I ♥ U ALL! ~ Aimee Suter - UCLA - Here I come!

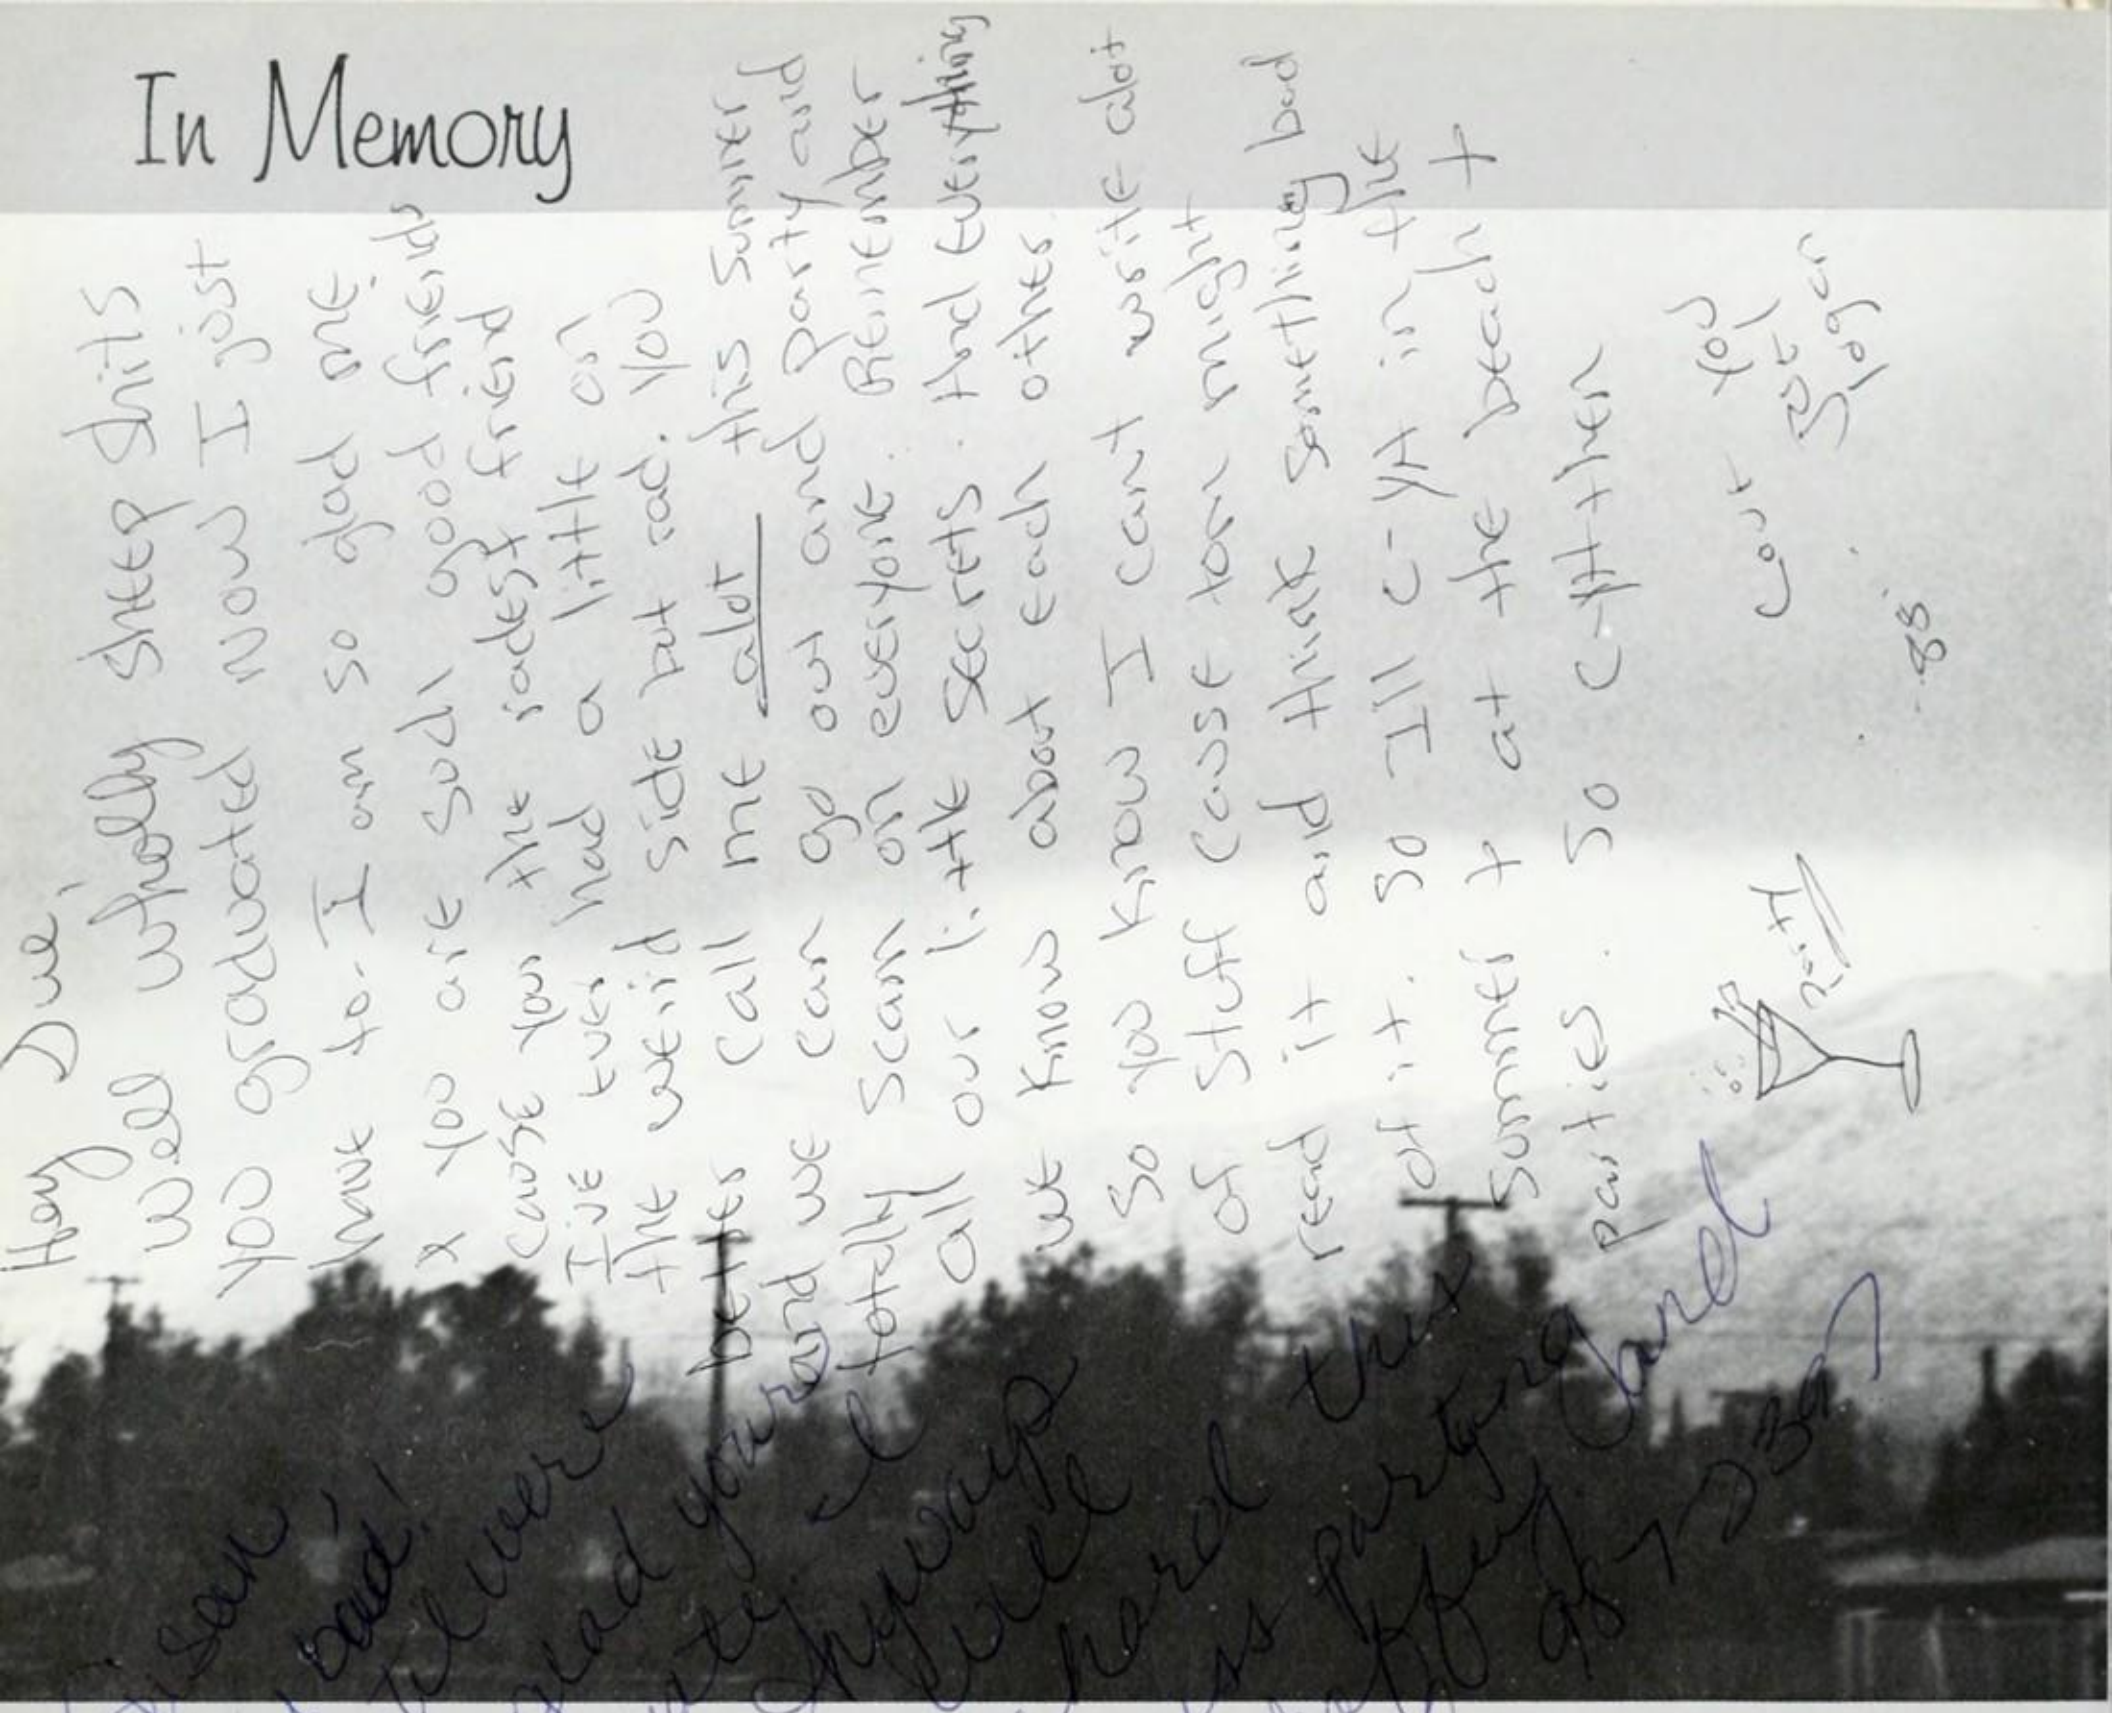
In Memory



Wendell Lee Bowman, a freshman here at Alta Loma High School, came to his death on November 8, 1986. He was thrown from the bed of a truck while the truck turned onto Calle Cabre Place. Upon his arrival at San Antonio Hospital, he was pronounced dead. His tragic death shocked his close friends.

Robert Paul Moreno was a junior at A. L.H.S. Some activities he enjoyed were writing poetry and playing sports.

Rob's death occurred on Feb. 27, 1987. He and a friend were traveling on Mt. Baldy Road when the car plunged over the edge of the road sending them to their deaths.

Rob will be missed greatly by those who knew him.

"Memories"

I am tomorrow
The dream of today,
I am the future
I'll find the way.
You are yesterday
Gone like our sun,
You are the memories
Saddened one by one.
Today when I thought of you
I remembered our past.
We shared something special
It just couldn't last.
I can't stay any longer
I have to move on,
And think of the future
Because yesterdays are gone.

Rob Moreno

Dedicated

Robert Durio has taught at Ontario High School for ten years and Alta Loma High School for ten years. He was a Business teacher and, most recently a French teacher. Mr. Durio was an I.F.L.C. advisor and the assistant golf coach.

Most of all Mr. Durio's compassion and humor will be missed. Of his retirement, he stated, "I've reached the top. I can go no higher. I guess it's time for me to retire." He will be missed dearly by the students at Alta Loma when he leaves to retire out on his ranch in Utah.

Clark Heiple has taught here at Alta Loma High School for twenty-four years, since the school was opened. He has taught crafts and ceramics. He enjoyed teaching here more than at other schools because of the students and their creativity.

Mr. Heiple and his wife are retiring together this year.He will be missed by all who knew him.

Signe Odegard has been here at Alta Loma High School for nineteen years. She has taught clothing, foods, and child development. Her favorite subject to teach is child development because she feels that it is imporrant to know about.

Signe Odegard has enjoyed being here. She likes the people, parents and students, for their kindness and cooperation.

Mrs. Odegard was well liked by many students. The absence of her presence will be felt.

Audrey Shuler has been at Alta Loma High School for nineteen years. She has taught College Preparory and Honor's English. She has enjoyed teaching very much. Mrs. Shuler likes the variety of people in this school, the students and faculty. She enjoys teaching literature because of the important ideas that are represented in the stories.

Mrs. Shuler will be missed next year when she is relaxing.

Hey Sue,

~~Hey~~ Hey You MISS IT CONGRADULATIONS, I AM REALLY HAPPY FOR YOU. SOE YOU NO WHAT, TO ME YOU ARE ONE OF THE RADDIST GIRLS IN THE SCHOOL. YOU HAVE BEEN SUCH A RAD FRIEND TO ME AND I THANK YOU FOR IT. ME AND YOU HAVE BEEN THROUGH SOME BITCHEN TIMES TOGETHOR AND I WILL NEVER FORGET THEM OR YOU. I HOPE WE STAY FRIENDS FOR EVER BUT I KNOW AFTER YOU GRADUATE I WONT TALK TO YOU MUNCH, BECAUSE YOU WILL BE TO BUSY. BUT I WILL STILL CALL YOU JUST TO KEEP IN TOUCH. OH well HAVE A BITCHEN SUMMER AND A GOOD FUTURE,

Love
